Exploring NORDIC COOL in Literary History Gunilla Hermansson, Jens Lohfert Jørgensen, 2020-11-15 How did Nordic culture become associated with the fuzzy brand cool as by default In Exploring NORDIC COOL in Literary History twenty one scholars in collaboration question the seemingly natural fit between Nordic and Cool by investigating its variegated trajectories through literary history from medieval legends to digital poetry At the same time the elasticity and polysemy of the word cool become a means to explore Nordic literary history afresh It opens up a rich diversity of theoretical and methodological approaches within a regional framework and reveals hitherto unseen links between familiar and less familiar tracks and sites Following diverse paths of Nordic cool in respect to among other things nature survival love whiteness style economics heroism and colonialism this book challenges all too recognisable narratives and underlines the sheer knowledge potential of literary historical research

Cognitive Linguistics and Non-Indo-European Languages Eugene H. Casad, Gary B. Palmer, 2003 Main description This book applies the theory of cognitive linguistics to the analysis of a variety of grammatical phenomena in non Indo European languages In previous studies of languages from non Indo European families cognitive linguistics has been remarkably useful in explaining non prototypical structures as well as more common ones The book expands that effort into a new set of families and languages
