Quo Vadis? Manfred F. R. Kets de Vries, 2021-03-11 Written at a time of global pandemic when we have been forced to confront age old existential questions Why are we here Where are we going perhaps for the first time Quo Vadis is extraordinarily relevant to leaders managers and anyone who wants to bring meaning and authenticity into their work and life Manfred Kets de Vries argues that we need to address these fundamental and disturbing questions if we are to live fully and meaningfully Too many people wake up on a Monday morning and do the same things they have done every Monday They go to work and function on autopilot without questioning their purpose But how

can we make sure our lives are rich and fulfilling How do we know we re on the right track This is a book about death and the fear of death about angst and absurdity but it is also about endurance honesty well being responsibility living with hard truths creating meaning and happiness Quo Vadis makes us look full on at the things we prefer not to see It is a short book that pulls no punches but is far from bleak Instead Kets de Vries shows that our life is enriched and our ability to make meaning and find happiness is increased when we acknowledge the inevitable price we have to pay for knowing our own mind and understanding our inevitable end Smith College Studies in Modern Languages ,1924 The Voyeur Series (Books 1 - 4) Ellis O.
