## La Reine La City Et Les Grenouilles:

**La Reine la City et les grenouilles** Josselin de Roquemaurel, 2014-11-03 Mais pourquoi diable les Français franchissent-ils la Manche par milliers pour s'installer à Londres ? Quelles forces magnétiques peuvent bien les attirer dans cette ville grise et pluvieuse où la douceur de vivre se paie au prix fort ? Installés depuis plus de dix ans au cœur de la capitale britannique, familier de la City, Josselin de Roquemaurel nous initie dans ce livre à la vie et à la critique aux subtilités de la vie londonienne et décrypte le regard porté sur les Français par les insulaires. Tout ce que vous avez toujours voulu savoir sur les paradoxes d'une migration choisie et les singularités d'une métropole devenue le centre incontournable de la mondialisation. *Sideways Migration* Deborah Reed-Danahay, 2024-11-29 This book examines the relationship between migration and socioeconomic status. In particular, it charts a set of middle class aspirations that lead people to move to a nearby nation that is similar in wealth and social indicators: a type of horizontal relocation that it terms sideways migration. It chronicles the experiences of a diverse group of French middle class citizens who moved to London during the late 20th and early 21st centuries. Based on longitudinal ethnographic fieldwork over a ten year period, this book engages at length with their strategies of emplacement through the lens of Pierre Bourdieu's concept of social space. Against a backdrop of heightened anxieties about immigration, the disruptions of the Brexit process and more recently a pandemic, it shows how middle class migration is affected by processes of dislocation and relocation, settling and unsettling, and the search for belonging. This book points to new directions for understanding transnationalism among middle class migrants through its consideration of the French emigration apparatus and the role of the multi-sited French nation in the lives of its citizens living abroad. It will be key reading for scholars and students interested in emigration and migration from anthropology, sociology, geography, political science, history and international studies. **Je rends heureux** Jean-Edern Hallier, 2012-09-19 Crivain, polymiste, grand journaliste, dit adoré par les uns, haï par les autres.
