La Seconde Chance:

La Seconde Chance Anne Vernet, 2009 *The Second Chance System* Ellen Dianne Looker, Victor Thiessen, 2008 There is increasing emphasis on formal education in Canada as elsewhere in the developed and developing parts of the world Much of the reason for this emphasis is on the importance not only of credentials Thiessen 2001 but also of literacy and numeracy Finnie and Meng 2006 to labour force participation and income Post secondary education PSE is playing an increasingly significant role in this process HRDC 1998 Looker 2002 and many if not most Post Secondary Education PSE programs require a minimum of a high school diploma Canadian Council on Learning 2005 1 As Biggart 2000 notes In a rapidly changing labour market qualifications are increasingly necessary and this is a trend that is likely to continue P 11 So the question becomes what happens to those who leave school early Which of them return for a second chance **Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954** United States.
