La Violence Des Riches:

La violence des riches Michel Pinçon, Monique Pinçon-Charlot, 2014-09-04 Sur fond de crise la casse sociale bat son plein vies jetables et existences sacrifiées Mais les licenciements boursiers ne sont que les manifestations les plus visibles d'un phénomène dont il faut prendre toute la mesure nous vivons une phase d'intensification multiforme de la violence sociale Marrantes enquêtes portraits vécus et données chiffrées les auteurs dressent le constat d'une grande agression sociale d'un véritable pilonnage des classes populaires un monde social fracassé au bord de l'implosion Loin d'être l'œuvre d'un adversaire sans visage cette violence de classe a ses agents ses stratégies et ses lieux Les dirigeants politiques y ont une part crasante de responsabilité Les renoncements récents doivent ainsi être replacés dans la longue histoire des petites et grandes trahisons d'un socialisme de gouvernement qui a depuis longtemps choisi son camp ceux qui taxent indistinctement de populisme toute opposition ces politiques qui creusent la misère sociale et font grossir les grandes fortunes les auteurs renvoient le compliment il est grand temps de faire la critique du bourgeoisisme

remarkable book is the product of a conference held in Paris in September 1989 in which for the very first time Western
Soviet and Japanese historians joined in a scientific debate on all the most controversial aspects of how the Second World
War came into being Every one of the contributors is a star in his field Soviet scholars are confronted by Russians who fled
into exile The book reveals the circumstances and the repercussions of the Molotov Ribbentrop Pact examines the fate of
Poland and then shows how a number of relatively local struggles in Europe and the Far East coalesce in the course of two

Waterlot, 2017-09-11 Modern science informs us about the end of the universe game over is the message which lies ahead of
our world Christian theology on the other hand sees in the end not the cessation of all life but rather an invitation to play
again in God's presence Is there a way to articulate together such vastly different claims Eschatology is a theological topic
which merits being considered from several different angles This book seeks to do this by gathering contributions from
esteemed and fresh voices from the fields of biblical exegesis history systematic theology philosophy and ethics How can we
make sense today of Jesus and the New Testament's eschatological message How did he his early disciples and the Christian
tradition envision the end of the world Is there a way for us to articulate together what modern science tells us about the end
of the universe with the biblical and Christian claims about God who judges and who will wipe every tear Eschatology has
been at the heart of Christian theology for 100 years in the West What should we do with this legacy Are there ways to move
our reflection forward in our century Scholars and other interested readers will find here a wealth of insights *Praxis*;
