

Essay Sample on Police Visibility: Essential Tool for Effective Law Enforcement Essay

Introduction

The dynamic societal issues and priorities present new challenges to law enforcement agencies. Enhanced police visibility is necessary to ensure a reduction in crime rates, drug use, and traffic-related fatalities. The agencies are, however, faced with the problem of limited resources and budgets in the execution of their duties. It is, therefore, recommendable for the agencies to engage proactively law enforcement as a key tool to ensure effective and efficient service delivery to the public. The paper is, therefore, premised on offering solutions to questions related to policing issues.

Major Characteristics That Identify the Proactive Police Agency

Proactive policing is characterized by several qualities. Firstly, the approach community-focused, and it mainly aims at combating a crime before it occurs. Secondly, it targets the improvement of the lives of citizens by creating and enhancing a positive relationship between law enforcement agencies and the people being served (Harmon & Manns, 2017). This builds a conducive environment for communication and promotes trust between law enforcement officers and the community. It also enables the police agencies to put into practice a wide range of tactics in dealing with the dynamic nature of societal issues.

Prioritized Changes within the Police Department

Several reforms ought to be undertaken within the police departments to convert them from their reactive nature into more proactive agencies. Every transition is, however, accompanied by certain obstacles that must be overcome. It is, therefore, advisable to prioritize and categorize the reforms in their order of importance. Much effort should be focused on training the police agencies to make them problem-oriented (Williams, 2015). This is a systematic strategy that allows law enforcement agencies to utilize research, analysis, and thorough assessments in the process of addressing matters which concern the police departments.

Moreover, community policing must also be enhanced. This involves community partnerships, which entail creating an environment of trust which allows the community members and the police to share information freely and openly (Williams, 2015). Organizational management strategies, policies, and structures should also be transformed to facilitate community policing effectively.

Major Impediment to Implementing Proactive Policing Style

The proactive policing approach is associated with several challenges. The biggest impediment involves recruitment, hiring, and retention of officers in every police department. To be effective, all
