Copyright Office, 1907 *The delays in administering the 2005 Single Payment Scheme in England* Great Britain: Parliament: House of Commons: Committee of Public Accounts, 2007-09-06 The EU Single Payment Scheme replaced 11 previous subsidies to farmers based on agricultural production with one payment for land management The European Commission gave some discretion to Member States over how to implement the scheme and the Rural Payments Agency which is responsible for administering the scheme in England opted for the dynamic hybrid model which incorporates elements of previous entitlement and new regionalised area payments based on a flat rate per hectare The Agency and Defra encountered severe problems in the implementation of the scheme in England and by the end of March 2006 it had paid farmers only 15 per cent of the 1 515 million due compared with its target of 96 per cent This caused significant hardship to farmers and taxpayers will have to pay extra implementation costs Defra has had to secure an extra 300 million to meet the potential cost of disallowance of expenditure by the European Commission arising on the problems in administering the scheme Following on from a NAO report on this topic HCP 1631 session 2005 06 ISBN 9780102943399 published in October 2006 as well as a report from the Environment Food and Rural Affairs Select Committee HCP 107 I session 2006 07 ISBN 9780215033383 published in March 2007 this report by the Public Accounts

Committee examines the impact of the payment delays on the farming sector why implementation failed the role of Defra and the changes being put in place to rectify the mistakes made Lessons highlighted include the Department made the scheme unnecessarily complex by choosing to adopt the most demanding implementation option the Rural Payments Agency shed too many experienced staff at a key time implementation of the project started before the scheme specification was finalised and the IT system was introduced without adequate testing a failure often seen with government IT projects **Journal of the Proceedings of the Common Council** Detroit (Mich.).
