

Romeo & Juliet Unit Journal Prompts

1. Using the Shakespearean Insights chart (below), create five separate insights and explain their meaning. Explain who you would use them on, and why. Be creative you bunch of literary-aspirant-gated wannabes!
2. **FATE vs. FREE WILL:** The Prologue suggests that the relationship of Romeo and Juliet is doomed from the start. Some people believe that things are fated to happen, no matter what. Others believe that your actions can change the course of your life. Explain your own beliefs about fate. Reflect and respond in at least a 5-sentence paragraph.
3. **ADVICE COLUMN (ROMEO):** Imagine that you are writing an advice column for the Verona Weekly Newspaper, and Romeo is asking for advice. He has gone from being love-struck over Rosaline to quickly falling for this new girl, Juliet. What kind of advice would you give him? (Yes, you can be sarcastically honest!)
4. **PARENTS:** What role do you think a family should have in the selection of the person their child should marry? Do you think parents should have any control over the personal lives of their children? Why or why not? What would happen if you were interested in someone that your parents did not approve of?
5. **"LOVE":** Do you think it's possible to fall in Love as fast as Romeo and Juliet did? Is it possible for teenagers today to experience "True Love" at such a young age? Fully explain your answers.
6. **BFF?** It is fairly safe to assume that Mercutio, Romeo, and Benvolio are the best buds of the 16th Century. They do everything together! Reflect on the relationship you have with your best friend. What is it about this person that makes them so special? Why is this person your closest or "best" friend?
7. **WEDDING JAMZ:** Romeo and Juliet are getting married! They need some jams! Create a super fresh modern mix tape from Romeo to Juliet OR Juliet to Romeo. Create a list of 10-15 songs and explain why he would choose those songs.
8. **FOR ESSAY/DOWNG:**

These violent delights have violent ends
And in their triumph die, like fire and powder,
Which as they kiss consume: the sweetest honey
Is loathsome in his own deliciousness

Writing Keen J. Babbage, 2010-03-16 In recent years educators have become increasingly concerned about the writing skills of students in elementary middle and high school They wonder what can be done to build proper writing skills particularly in a generation of students who may consider text messaging to be the only writing a person needs to do Extreme Writing describes how teachers can build upon the eagerness and skills that students apply to recreational social and friendly writing bringing enjoyment back into writing for students The Extreme Writing approach is not a precise formula for student achievement rather it is a shared discovery of the process the adventure the wonder and the liberation inherent in writing
