Unapologetic Aging Debra Benfield,2025-12-16 Your body is your life partner not your life s project The anti aging and diet wellness industries have scammed us into believing that thinner and younger is always better that there s a right way to eat and move to age well But that s a lie and it s doing real harm When Deb Benfield a Registered Dietitian Nutritionist turned 60 she went looking for guidance on how to care for her changing body What she found was the same tired and disempowering narrative centering on controlling weight a goal that puts us at war with our bodies right when we most need to feel at home in them

Unapologetic Aging gently unravels the toxic messages of anti aging and diet culture helping you let go of rigid rules and

tune into what truly nourishes and delights you When you stop fighting your body you make room for vitality self trust and joy Midlife and beyond isn t a crisis to manage though it may feel like one sometimes It s a powerful unfolding Not a time to shrink or submit to yet more rules but a time to rise into your fullest self You can age with confidence ease and deep self respect Unapologetically Motorship and Diesel Boating ,1921 *Michigan Journal of Community Service Learning* ,1997
