Writing Yoga Bruce Black, 2016-08-01 Writer and editor Bruce Black began studying yoga five years ago when his knees could no longer stand the stress of running. After taking classes for a few years he started keeping a journal to explore his experiences on the mat. Out of his journal and his devotion to Anusara Yoga has emerged a book that delves into the nexus of yoga writing and life. In *Writing Yoga* Bruce begins by sharing tips he has learned along the way: the benefits of keeping a practice journal, how to select just the right blank book, writing at different times of day, how often and more. He has organized the book by theme into chapters with guided writing exercises. Part memoir, part writing guide, Bruce reflects on practice as life: the excitement of walking into his first yoga class, apprehension about bending backward, discomfort with body appearance, the yoga of family relationships, the exhilaration of coming into a headstand for the first time, deepening appreciation for his teachers, and waking up to the exquisite beauty of the world around him. And he weaves excerpts from his own journal throughout. Bruce guides you in stepping onto your mat and picking up your journal with curiosity and commitment. He shows how your journal can become a good friend, a confidant, a tool to deepen your experience of asana and pranayama, and a mindfulness practice in itself.

God Whispers Liz Thompson, 2013-04-15 Where are you at this moment? If your first reaction was to say "I am in a book store" or "I am in my recliner" I would likely say the same thing. But what I am asking is where you are in your faith walk with God. Do you feel far from Him? Maybe you walk closely with Him and hear His voice in your life. Are you in a listening mode or are you tuned into the noise in your life cluttered with things to do, places to go, and people to see? Maybe you picked up this book because you were curious how God could possibly whisper. Or maybe you needed to make a major decision and you thought this book might help. Or maybe you picked it up because when you saw fudge in the subtitle you thought it might be a recipe book. It is a recipe book in its own way and for fun you will find fudge recipes in the appendix. But I wrote this book to share some experiences of mine and those of its contributors about how we learned from our fudges and responded to God's nudges. God wants to free us from our self-made cocoons or chrysalises and watch us fly free like a butterfly. Liz Thompson lives in Grove City, Ohio, with her husband Bob and wire-haired dachshund Toby Bear, who is her Certified Hearing Dog. In 2008 Liz's first book, *Day by Day: The Chronicles of a Hard of Hearing Reporter*, was published by Gallaudet University Press. She has a column in *ThisWeek Newspapers*, formerly *Suburban News Publications*, SNP in Columbus, Ohio, where she was also a reporter. SNP from 2000-2003. From 2003-2005 she and her husband lived in Arizona where she was a Community Columnist for *The Arizona Republic*. Liz has been a writer for *Hearing Health Magazine* and *www.moveoverms.org*. She wants to share her faith in God in her writing and pass on the love of writing to the next generation. Ebersole & Hess' Toward Healthy Aging - E-Book Theris A. Touhy, Kathleen F. Jett, 2013-08-07 Grounded in the core competencies recommended by the AACN in collaboration with the Hartford Institute for Geriatric Nursing

Ebersole Hess *Toward Healthy Aging* 8th Edition is the most comprehensive resource on health promotion and maintenance for older adults and their caregivers. With coverage of communication safety and ethical considerations, new genetic research, key aging issues, and common and uncommon conditions, you will have the knowledge you need to promote healthy lifestyle choices, properly address end of life issues, and provide effective holistic care for older adults. Consistent chapter organization with objectives, case studies, critical thinking questions, and research questions make information easy to access and use. A strong focus on health and wellness emphasizes a positive approach to aging. Disease processes are discussed in the context of healthy adaptation, nursing support, and responsibilities. Research highlights help incorporate the latest research findings into practice. Nutrition chapter includes the most current guidelines for older adults and addresses patients' dietary needs. Scales and guidelines for proper health assessment provide the essential information for assessing the older adult patient. Case studies with critical thinking questions offer realistic situations to expand your knowledge and understanding. Careful attention to age, cultural, and gender differences are integrated throughout and highlight important considerations when caring for older adults. Content grounded in the core competencies offers the knowledge needed to achieve the National League for Nursing ACES program's Essential Nursing Actions and meets the Recommended Baccalaureate Competencies and Curricular Guidelines for the Nursing Care of Older Adults. The Geriatric Nursing Education State of the Science Papers and the Hartford Institute for Geriatric Nursing Best Practices in Nursing Care to Older Adults NEW QSEN content highlights quality and safety issues students need to know when treating older patients. NEW Chapter covering the role of communication emphasizes the importance of communication in improving care. NEW Focus on genetics highlights the vast amount of new genetic research and its effects on all aspects of health and aging. NEW Information on ethical considerations explores and illustrates potential issues when dealing with older adults. NEW Healthy People 2020 information assists your students in integrating their knowledge about healthy aging considerations into care.

Presence-Centered Youth Ministry Mike King, 2006-08-29 Mike King proposes a youth ministry centered in the presence of God. Here young people encounter Christ not in the flash and pop of arena ministry but in the sacred shadow of his presence. This book gives shape to such ministry through the classic disciplines and potent symbols and practices that have sustained the church over the centuries.
