Anon Sophia Terazawa, 2023-03-21 A collection of love poems addressed to an adverb Anon meditates on the temporal at once between desire and language From the playful verses of Slovenia's Tomaž Alamun to the brushstrokes of an Edo period painting *Two Gibbons Reaching for the Moon* by Japan's Ito Jakuchu a character for the displaced Beloved emerges in this tapestry of time and art across borders In *Anon* the Beloved reflects How might translating a human experience from one language to the next be an act of longing for the anonymous Other Or how might this longing for beauty and the wordless face heal us both How might Eros in exile respond With these questions Vietnam's Mekong delta becomes the book's central force Endangered gibbons swing from the ruins of ecocide and each image rose ape and river weaves itself into an undercurrent of postcolonial time

Sweet Undoings Yanick Lahens, 2023-04-11 Yanick Lahens leads us into a breathless intrigue with her newest portrait of Haiti *Sweet Undoings* In Port au Prince violence never consumes It finds its counterpart in a high pitched sweetness a sweetness that overwhelms Francis a French journalist one evening at the Corossol Restaurant Bar when the broken rich voice of lounge singer Brune rises from the microphone Brune's father Judge Berthier was assassinated guilty of maintaining integrity in a city where everything is bought Six months after this disappearance Brune wholly refuses to come to terms with what happened Her uncle Pierre a gay man who spent his youth

abroad to avoid persecution refuses to give up on solving this unpunished crime Alongside Brune and Pierre Francis becomes acquainted with myriad other voices of Port au Prince including z chiel a poet desperate to escape his miserable neighborhood Waner a diligent pacifist and Ronny the American at ease in Haiti as in a second homeland Drawing its power from the bowels of the city Sweet Undoings moves with a rapid electric syncopation gradually and tenderly revealing the richness of the lives within Inspiration Ap Dijksterhuis,2025-11-18 Inspiration propels us It s the basis of every accomplishment But the idea that it simply falls into your lap is a myth Inspiration doesn t come to us in a gust of wind only to disappear into the mist again You make it happen it s a reward for work that you ve already done The combination of perspiration and inspiration takes you to where you want to go In this ode to what is perhaps the brain s greatest achievement Ap Dijksterhuis explains with a storyteller s verve what inspiration is why we have it how it works and how to get it Drawing upon on the most up to date research in neuroscience and psychology he shows how inspiration stands in relation to creativity motivation curiosity and the overall functioning of the brain Ultimately inspiration is not a privilege granted to a talented few everyone who chooses inspiration will benefit from it Including you Trash Sylvia Aguilar-Zéleny,2023-03-21 Trash interweaves the voices of three women with lived connections to the municipal garbage dump of Ciudad Ju rez Mexico Aguilar Z leny s Trash shows the complexities of survival and joy love and violence for three women a teenager abandoned by her guardian at the dump a scientist doing research on the residents of the dump and a transwoman living nearby who is the matriarch of a group of sex workers Each one of the characters navigates family abandonment power jealousy greed and multiple taboos around sexuality and gender violence Their stories are linked by geography and by ideas of waste and abandonment As Aguilar Z leny explores these territories in her book she asks crucial questions Who is seen as disposable and why How do women find their own means of survival and joy in the midst of a perilous sociopolitical context What does it mean to live a life in a time of austerity and extreme violence Trash is a critical intervention in Mexican literature **Exploring the Transnational Neighbourhood** Stephan Ehrig,Britta C. Jung,Gad Schaffer,2022-10-13 Urban neighbourhoods have come to occupy the public imagination as a litmus test of migration with some areas hailed as multicultural success stories while others are framed as ghettos In an attempt to break down this dichotomy Exploring the Transnational Neighbourhood filters these debates through the lenses of geography anthropology and literary and cultural studies By establishing the interdisciplinary concept of the transnational neighbourhood it presents these localities whether Clichy sous Bois Belfast El Segundo Barrio or Williamsburg as densely packed contact zones where disparate cultures meet in often highly asymmetrical relations producing a constantly shifting local and cultural knowledge about identity belonging and familiarity Exploring the Transnational Neighbourhood offers a pivotal response to one of the key questions of our time How do people create a sense of community within an exceedingly globalised context By focusing on the neighbourhood as a central space of transcultural everyday experience within three different levels of discourse i e the

virtual the physical local and the transnational global the multidisciplinary contributions explore bottom up practices of community building alongside cultural social economic and historical barriers **Herostories** Kristín Svava

Grand Hotel Europa calls to mind Nabokov Tom Wolfe Baudrillard Umberto Eco Wes Anderson a novel of incorrigible high spirits Rand Richards Cooper The New York Times Book Review A sweeping atmospheric novel about European identity centered on a hotel that encapsulates the continent's manifold contradictions The love of my life lives in my past Despite the alliteration it is a terrible line to have to write I don't want to come to the conclusion just as the hotel I'm staying in and the continent it is named after that the best times are behind me and that I've little more to expect of the future than living off my past A writer takes up residence in the stately but decaying Grand Hotel Europa in order to contemplate where things went wrong with Clio an art historian and the love of his life His recollections take him back to when they first met in Genoa his wanton visits to her in Venice and their dulcet trips to Malta Palmaria Portovenere and the Cinque Terre in their thrilling search for the last painting made by Caravaggio Meanwhile he becomes fascinated by the mysteries of the Grand Hotel Europa and the memorably eccentric characters who inhabit it all of whom seem to hail from a halcyon era All the while globalization is laying claim to even this place where a sense of lost glory hangs sulkily in the air Grand Hotel Europa is Ilja Leonard Pfeijffer's masterly novel of the old continent where there's so much history that there hardly seems space left for a future Cinematic lyrical and brimming with humor this is a novel about the European condition which like the staff and residents of the Grand Hotel Europa may have already seen its best days **Ondraaglijke lichtheid** Ilja Pfeijffer, 2019-09-25 Wat de twijfel is voor de wetenschap schreef de Deense filosoof Søren Kierkegaard 1813-1855 dat is de ironie voor het persoonlijk leven Maar in het maatschappelijk debat leidt ironie al gauw tot onverschilligheid En dat wist Kierkegaard ook De ironicus maakt van alles een grap en neemt niets meer serieus teneinde zichzelf te redden In onze gepolariseerde en geridiculiseerde debaatcultuur
