Baum,Julie Viens,Barbara Slatin,2005-08-26 This book will help teachers design effective curriculum for their students with
diverse learning abilities The authors have created a guided process to apply MI theory to the elementary school classroom
The five pathways or approaches examined Exploration Bridging Understanding Authentic Problems and Talent Development
represent the ways in which MI can be implemented and nurtured across the elementary grades The Pathways Model
promotes and supports the development of a well grounded understanding of MI theory to inform goal setting and planning
for using multiple intelligences theory in the classroom Each pathway addresses a different set of goals and provides
