Introducing Christianity to Mormons Eric Johnson, 2022-09-13 Share Jesus with Your LDS Friends and Family One of our greatest challenges as Christians is sharing the truth with those who believe they've already found it. When witnessing to current or former members of The Church of Jesus Christ of Latter-day Saints, it's essential that you can compassionately delineate biblical teachings from Mormon doctrine while tactfully advocating for Christ. For every believer who prays for loved ones in the LDS Church or loved ones who gave up on religion after leaving Mormonism, *Introducing Christianity to Mormons* is the guidebook you need to witness to them. Inside, you'll find real-life conversations that give you helpful ideas for what to say in your discussions, contrast points between Mormonism and Christianity that illuminate God's truth, biblical apologetics that allow you to minister to former LDS members wounded by their experience with the Church. Get ready to present the case for Christianity with confidence and grace. This book will empower you to share your faith and give you the language to do so effectively with people in the Mormon community. *Book of Mormon Seminary Home-Study Guide* The Church of Jesus Christ of Latter-day Saints, 2013-10-22 The home study seminary program is designed to help you strengthen your understanding of the gospel of Jesus Christ and apply its teachings in your daily life through a study of the scriptures. For your study this school year, you will first complete reading assignments from the scripture text. For this course, the Book of Mormon, and then you will complete the individual lessons. Once a week, you will meet with a seminary teacher to submit your work and participate in a weekly lesson. Seminary is a daily religious education program. Prayerfully studying your scriptures should be a daily practice. You will need to work on your seminary assignments each school day, even though you will not attend a seminary class each day. There are 32 units to be completed during the course. The reading chart on page viii shows what you should study for each unit. Your teacher will help you understand when each unit is due. The lessons in this study guide should each take about 30 minutes to complete in addition to your daily scripture study. You should have two scripture study journals or two notebooks separate from your personal journal in which you will write the assignments from the study guide activities. Each week that you meet with your teacher, you should turn in the scripture study journal containing the completed assignments from the study guide activities you completed for that week. Your teacher will read and respond to the assignments and return that scripture study journal to you the following week. You could also write your responses on paper in a loose leaf binder and turn in the pages you did that week. Then, when your teacher returns the pages, you could put them back into the notebook. Saints: The Story of the Church of Jesus Christ in the Latter Days, Volume 3 The Church of Jesus Christ of Latter-day Saints, 2022-04-22 After decades of opposition, the Latter-day Saints have dedicated the Salt Lake Temple, a mighty symbol of their industry and faith. Now, with a new century on the horizon, the Saints are optimistic about the future and ready to spread the Savior's message of peace across the globe. But the world is rapidly changing. Advances in transportation and communication allow people and information to cross vast distances in record time. And young people are

venturing far from home as never before seeking educational and professional opportunities their parents and grandparents could hardly imagine As the Church begins to take root in Europe South America and Asia the Saints rejoice in the rise of the global Church Yet many are wary of the challenges the changing world poses to the cause of Zion While the promise of the new century is bright it comes with dire economic hardships brutal global wars and other unprecedented trials Boldly Nobly and Independent is the third book in Saints a new four volume narrative history of The Church of Jesus Christ of Latter day Saints Fast paced meticulously researched and written under the direction of the First Presidency Saints recounts true stories of Latter day Saints across the globe and answers the Lord s call to write a history for the good of the Church and for the rising generations Doctrine and Covenants 69 8
