

Application for LIHEAP (Gas/Electric) Utility Assistance AND/OR Weatherization Services

Community Action Partnership of Orange County (CAP OC), Energy and Environmental Services Department oversees administration of the Low-Income Home Energy Assistance Program (LIHEAP) and the Department of Energy's Weatherization Assistance Program (DOE WAP). These programs are funded by the United States Department of Health and Human Services, Department of Energy Region IX, and the California Department of Community Services and Development (CSD). The programs are designed to assist eligible low-income households to manage and meet their immediate home heating and/or cooling needs. In addition, LIHEAP provides financial assistance to offset heating and/or cooling costs and helps to improve household energy efficiency.

Who gets priority?

In accordance with federal law, our department establishes a priority rating system once we reach a financial budget benchmark. Benefits are calculated based on your household's out-of-pocket energy cost versus household income and a point system.

How long will it take?

It may take up to 60 days until your utility assistance application has been processed. It is your responsibility to continue to pay and/or make payment arrangements with your utility company until eligibility is determined. We do not guarantee your benefit will be processed and paid before the date of the bill is due.

CAP OC will send you a letter to let you know if your household is approved or denied HEAP benefits.
