Globalisation and Education Policy Reform in Botswana Richard Tabulawa, 2023-07-21 This book uses the global local dialect approach to explicate education policy reform in Botswana and interrogates the practical effects of the various education policies on curriculum pedagogy and governance of the Botswana General Education system Considering the effect of three reform policies since Botswana's Independence in 1966 the book evaluates the performance of each of the policies and examines their consequences in terms of the interplay of global forces and domestic pressures The result of this interplay has been an education landscape that while reflecting globally circulating education discourses markedly differs from those same discourses The book argues that the State in Botswana has appropriated education policy to legitimate itself in times of crisis and that each policy has improved access to general education but collectively have failed to improve its quality making suggestions for how this can be improved in the future As the first book of its kind to delve into education in Botswana from a single authored critical lens the book will be a highly relevant reading for academics researchers and post graduate students of African education comparative education education policy and curriculum studies

Preparation and Development of School Leaders in Africa Pontso Moorosi, Tony Bush, 2019-11-28 The book is based on African research and reviews on school leadership preparation and development taking stock of where the field is in this geographical region and what lies ahead The exclusive focus on sub Saharan African countries is driven by the desire to foreground African experiences highlighting gaps and asking critical questions about contextually relevant models of leadership that can drive towards improved educational outcomes for African children The countries explored include Botswana Cameroon Ghana Kenya Lesotho Namibia Nigeria South Africa and Tanzania Written by a collective of seasoned researchers with extensive experience in the field and on the continent this volume is timely as the field is in need of serious political attention For these reasons the book is an important resource for policy makers school leaders and other practitioners students educators of school leadership preparation programmes as well as researchers in the field on the continent and the diaspora

The Praeger International Handbook of Special Education Michael L. Wehmeyer, James R. Patton, 2017-06-15 This handbook provides a concise overview of special education services in countries across the world using the Article on Education in the United Nations Convention on the Rights of Persons with Disabilities as the analytical frame The Praeger International Handbook of Special Education presents a concise and clear overview of special education services in more than 70 countries across the world using the Article on Education in the United Nations Convention on the Rights of Persons with disabilities as the analytical frame Each chapter offers information about the country in general followed by sections on the public education system the private education system the special education system teacher training requirements and barriers to and promising trends in inclusive and special education The volumes and chapters are organized by the United Nations Geoscheme with Volume 1 including an overview of the volumes and chapters on countries in the Americas Volume 2

addressing countries from Europe and Africa and Volume 3 focusing on countries in Asia and Oceania This is the most complete exploration of the delivery of supports and services to children and youth with disabilities across the globe available The volumes do not compare among or between countries but rather provide a baseline for understanding current special education practices and their relationship with general education and inclusive practices across the globe Readers will come away with an in depth understanding of what is happening with regard to the implementation of special education services and Article 24 of the Convention for the Rights of People with Disabilities This valuable reference set serves researchers graduate students and policymakers in special and general education as well as professionals focused on issues of education worldwide and scholars focused on international special education As such this handbook will be an important reference source for university libraries professional associations and policy entities
