## **Michael Collins Himself:**

Michael Collins Chrissy Osborne, 2003 About the person of Michael Collins      Michael Collins Michael Collins, 1997 In this book Francis Costello allows Michael Collins to speak in his own words He traces Collins career from his schooldays to his tragic death at the age of 31 through a series of edited extracts from Collins writings speeches letters and memoranda

**Michael Collins** Tim Pat Coogan, 1990      **Michael Collins' Own Story** Michael Collins, 2012-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy      **Myth and the Irish State** John M. Regan, 2013-12-03 When we read a history we believe ourselves to be reading cold hard facts of the events that took place and how they occurred But there is no real truthful way to know the approach our historian has taken with the historical sources This book deals with the uncertainty in writing history in the context of Irish history in particular Regan argues in this book that the notion of elision simply ignoring unhelpful evidence threatens Irish history today Regan believes that some historians have ignored unhelpful facts that perhaps do not further their point or perhaps contradict them altogether Each chapter focuses on a period of Irish history that Regan believes to be inconsistent or incomplete in its facts He asks the controversial questions about the period of history such as why do some historians deny or marginalise the British threat of war and re conquest in 1922 why do so many Irish historians describe Michael Collins as a constitutionalist or a democrat when the evidence argues otherwise Was the Irish Civil War really fought between democrats defending the state against dictators attempting its overthrow Did the new state briefly experience a military dictatorship under Collins in 1922 Thinking historically is not about learning history or accepting the past as it is presented to us it is as Regan argues in his thought provoking work about developing the critical skills to interpret history for ourselves      The GAA and the War of Independence Tim Pat Coogan, 2018-10-04 Founded in 1884 to promote Irish identity and revive the traditional sports of hurling football and handball the GAA enjoyed an intimate relationship with the nationalist movement from the turn of the twentieth century onwards In 1914 the Irish Volunteers drilled with hurley sticks in the absence of rifles after the 1916 Rising many of those interned by the British were GAA members and on 21 November 1920 a Gaelic football match between Dublin and Tipperary at Croke Park was interrupted by a raid by British crown forces that left fourteen dead in Ireland s first Bloody Sunday With affection and authority Tim Pat Coogan traces the stirring story of an institution which from modest beginnings as a grass roots sporting organisation has grown into a cornerstone of Irish society both North and South The Gaelic Athletic Association is Coogan argues the most socially valuable organisation in Ireland whose ideal of voluntarism has contributed to a distinctive sense of national identity that flourishes wherever green is worn      **History of Ireland,**

**1798-1924** Sir James O'Connor, 1925      **The IRA on Film and Television** Mark Connelly, 2014-01-10 The Irish Republican Army IRA has for decades pursued the goal of unifying its homeland into a single sovereign nation ending British rule in Northern Ireland Over the years the IRA has been dramatized in motion pictures directed by John Ford *The Informer* Carol Reed *Odd Man Out* David Lean *Ryan's Daughter* Neil Jordan *Michael Collins* and many others Such international film stars as Liam Neeson James Cagney Richard Gere James Mason and Anthony Hopkins have portrayed IRA members alternately as heroic patriots psychotic terrorists and tormented rebels This work analyzes celluloid depictions of the IRA from the 1916 Easter Rising to the peace process of the 1990s Topics include America's role in creating both the IRA and its cinematic image the organization's brief association with the Nazis and critical reception of IRA films in Ireland Britain and the United States      *Guerrillas and Terrorists* Richard L. Clutterbuck, 2013-09-15 Terrorism and guerrilla warfare whether justified as resistance to oppression or condemned as disrupting the rule of law are as old as civilization itself The power of the terrorist however has been magnified by modern weapons including television which he has learned to exploit To protect itself society must understand the terrorist and what he is trying to do thus Dr Clutterbuck's purpose in writing this book to contribute to the understanding and cooperation between the police the public and the media      *Cinematic Terror* Tony Shaw, 2014-11-20 *Cinematic Terror* takes a uniquely long view of filmmakers' depiction of terrorism examining how cinema has been a site of intense conflict between paramilitaries state authorities and censors for well over a century In the process it takes us on a journey from the first Age of Terror that helped trigger World War One to the Global War on Terror that divides countries and families today Tony Shaw looks beyond Hollywood to pinpoint important trends in the ways that film industries across Europe North and South America Asia Africa and the Middle East have defined terrorism down the decades Drawing on a vast array of studio archives government documentation personal interviews and box office records Shaw examines the mechanics of cinematic terrorism and challenges assumptions about the links between political violence and propaganda      *The Revolution in Ireland, 1906-1923* Walter Alison Phillips, 1926      *The American Review of Reviews* Albert Shaw, 1922      *The American Review of Reviews*, 1922      **Brassey's Naval Annual** Earl Thomas Allnutt Brassey, 1952      **Mike Quill, Himself** Shirley Quill, 1985 Biography of Mike Quill a despatch rider for the Irish Republican Army before emigrating He was one of the founders of the Transport Workers Union of America      *The Drama of Sinn Féin* Shaw Desmond, 1923      *The Spectator*, 1922      *The Boy's World*, 1880      **The Secret Societies of Ireland** Hugh Bertie Campbell Pollard, 1922      **American Monthly Review of Reviews** Albert Shaw, 1922
