diagrams A real time saver when it comes to deciphering the current NEC 1999 International Symposium on Technology
and Society IEEE Society on Social Implications of Technology,1999 The theme of the symposium is Women and Technology
Historical Societal and Professional Perspectives The roles of women in technology are more diverse controversial and
important today than ever before Since the 1950s women have tried to technologically empower themselves particularly by
entering the engineering profession They have done so in great numbers although today it is glaringly obvious that women
are still underrepresented in engineering Women in the field still face gender based obstacles expectations and biases
despite decades of efforts to eradicate these problems These issues are addressed **Reference & User Services**
