Chapter Outline

I. The Nature and Origins of Law

In the United States today, most citizens understand the concept of **law** to consist of the following:

- The federal, state, or local enactments of legislative bodies
- The known decisions of the courts of the federal and state governments
- Rules and regulations proclaimed by administrative bodies
- Proclamations by executives of the federal, state, or local government

Lawmakers distinguish between two types of rules: (1) religious and moral values and (2) rules created by government to protect individuals and promote social welfare. People recognize that
