## **Longman Anthology Red Series Answer:**

The Longman Anthology of British Literature: The Middle Ages David Damrosch, 2003 The Longman Anthology of British Literature is the most comprehensive and thoughtfully arranged book on the market Approaching literature from a broad cultural perspective the anthology offers a rich selection of fiction drama and poetry by major British authors The second edition of The Longman Anthology of British Literature includes key major additions of important works an expanded illustration program and new translation of Beowulf Fresh and up to date introductions and notes are written by an editorial team whose members are all actively engaged in teaching and in current scholarship and one hundred illustrations show both artistic and cultural developments from the medieval period through the 18th Century Perspectives sections shed light on individual periods but are also positioned to link with surrounding works Companion readings provide additional context for and special insight into key readings For avid readers of British Literature

**The Longman Anthology of Gothic Verse** Caroline Franklin, 2024-11-01 Gothic verse liberated the dark side of Romantic and Victorian verse its medievalism melancholy and morbidity Some poets intended merely to shock or entertain but Gothic also liberated the creative imagination and inspired them to enter disturbing areas of the psyche and to portray extreme states of human consciousness This anthology illustrates that journey This is the first modern anthology of Gothic verse It traces the rise of Gothic in the late eighteenth century and follows its footsteps through the nineteenth century Gothic has never truly died as it constantly reinvents itself and this lively illustrated and annotated anthology offers students the atmospheric poetry that originally studded terror novels and inspired horror films Alongside canonical verse by Coleridge Keats and Poe it introduces readers to lesser known authors excursions into the macabre and the grotesque A wide range of poetic forms is included as well as ballads tales lyrics meditative odes and dramatic monologues a medievalist romance by Scott and Gothic drama by Byron are also included in full A substantial introduction by Caroline Franklin puts the rise of Gothic poetry into its historical context relating it both to Romanticism and Enlightenment historicism Although Gothic fiction has now been receiving serious critical attention for twenty years Gothic verse has been largely overlooked It is therefore hoped that this anthology will stimulate scholarly interest as well as readers pleasure in these unearthly poems
