The Authority of Love Greg Williams, 2020-10-22 A wake up call for the modern day American church to restore the Biblical standards of marriage family and the church which are still compelling and transforming Bob Russell Retired Southeast Christian Louisville KY Greg is a down to earth practitioner of faithful Christian living Love and Lordship is in touch with the real world flesh and devil and how each seeks to threaten and corrupt our daily walk with Christ Ken Idleman President retired Ozark Christian College Love what we desperately seek Authority what we doggedly avoid unless we re in control which is not real authority The Authority of Love shows how to bring them together Truth love authority humility a servant s heart all qualities of Christ all qualities we aspire to as disciples of Christ Christ is the Way the Truth and the Life Christ God is Love All Authority has been given to Him and in Him all things were made and exist by Him He is the epitome of Humility He displayed the purest of servant hearts All of these tremendous traits and virtues are found in Him Throughout the centuries we ve tried to attain these as noble and good and yet as is so often the case we ve defined them in our own terms much to our detriment We separate virtues in order to perfect them in and of ourselves Christ had a better way and in His Kingdom we find that because He embodied and modeled all of these traits and qualities in perfection He

calls us to walk accordingly Instead of following culture and separating them attempting to perfect each we would be wise to follow His example as our Lord and see them as inseparable and live them as He did Separating these qualities as we are prone to do in our flesh has never worked The Authority of Love points us to Christ and God s Word and draws on real life stories to show us how Truth Love Authority Humility and a Servant s Heart are embodied in Christ and His Kingdom and how we can follow His lead in our life marriage family and in His Church to show the world a different way His Way If you are serious about walking with Christ as Lord in your life marriage family every area of your life this book is for you As I wrote this book we found ourselves in the middle of the first global pandemic in a century and political and social upheaval in the US like we ve not seen in the last half century Our faith is being tested I believe God is calling Christ s Church to a spiritual awakening not just simply to do church services differently serve more people and accommodate the culture thinking we will reach more It is a call For personal and collective confession and repentance of idolatry and compromise For believers to absolutely make Christ Lord of every part of your life For men to be Godly relational servant leaders as husbands who love their marriage spouse and family above their own success glory and desires just as Christ did for His Bride The Church For marriages to be a positive testimony to the Gospel of Christ so the world will see and know Him To husbands and wives to submit to one another out of reverence for and submission to Christ as Lord To disciple our children in our homes and in all of the above build loving relationships that strengthen Christ s Church To move beyond drawing people into a weekly one hour service or a couple hours of weekly activity to our communities or the world To disciples making disciples in loving relationships and holding each other accountable to obedience as we walk in His Love and Lordship That call is the message of this book Reader s say Greg Williams provides us with a much needed Spiritual gut check in The Authority of Love and the guidance we need to get back on track Greg is amazing speaker and author This book is an essential book for our churches and leaders to read and grow in the Lord s will for their life Highly recommend *Review Notes and Study Guide to Hemingway's Farewell to Arms, and The Sun Also Rises, For Whom the Bell Tolls [and] The Old Man and the Sea* Stanley Cooperman,1964 **Adult-study Guide** ,1937 *Study Guide for Crooks and Baur's Our Sexuality, Sixth Edition* Lauren Kuhn,Robert Crooks,1995 A previous edition of this textbook was cited in Books for College Libraries 3d ed Intended for undergraduate college courses it covers the biological psychosocial behavioral and cultural aspects of human sexuality deliberately emphasizing diversity presenting information from a range of perspectives and sticking to a non judgmental approach Coverage includes the biological basis of sexuality sexual behavior the life cycle sexual problems and social issues The new edition contains updated references and material and some enhanced pedagogical features such as How About You questions and more prominent display of critical thinking questions Crooks is a psychologist who has taught human sexuality classes at the university level for many years Baur is a social worker with a specialty in sex therapy and education c Book News Inc **Lightbulb Moments in Marriage Bible Study Guide Plus Streaming Video** Dr Eggerichs,Emerson
