**Love** Dr. Thomas L. Driver, Ph.D., DMIN, 2025-10-03 God's Demonstrated Expressive Love explores the profound nature of God's love as it is revealed through Scripture and demonstrated vividly through the life, death, and resurrection of Jesus Christ. This concept underscores that God's love is not merely distant or theoretical but is active, personal, and sacrificial in nature. It emphasizes that God's love involves deliberate actions, personal sacrifice, and a dedication to humanity's well-being, making it understandable and relatable to believers. The passage aims to deepen our understanding of God's steadfast love and how it manifests in both divine and personal situations. The story from creation to Calvary demonstrates God's intentional and visible love. Readers are encouraged to consider how divine love can heal, restore hope, and change lives. More than just a theological account, this book offers a devotional journey, inviting believers to experience God's love daily and share it as a testimony of faith.

Here, There, And Everywhere: The Boy Who Hears the Shadows Avlon McCreadie, 2018-01-12 Sara Adeline Mazzolini wrote the poems and songs to praise the eternal beauty of imagination. Sara Adeline Mazzolini a crit le livre de la beauté ternelle. Elle a photographié les images en créant son autoportrait. Elle a composé les paroles de chanson en France.

**Love is for Eternity** Joel T. Patchen, 2014-11-07 Who is the source of life? When does life begin? What is the purpose for life? Does every life have value? Is there life beyond the grave? What does the Bible say about abortion, euthanasia, suicide, and death? What does it mean to be pro-life? This daily devotional is more than a pro-life study using Scripture, fetal development, and history; it is an invitation to love and become more Christ-like. Love is for Eternity will not only answer the above questions; it will change the way we see the world. Perhaps even the way we see ourselves. Read this essential book and discover that life and love are for eternity.

*Kierkegaard and the Philosophy of Love* Michael Strawser, 2015-10-08 Ironically, the philosophy of love has long been neglected by philosophers, so-called lovers of wisdom, who would seemingly need to understand how one best becomes a lover. In *Kierkegaard and the Philosophy of Love*, Michael Strawser shows that the philosophy of love lies at the heart of Kierkegaard's writings, as he argues that the central issue of Kierkegaard's authorship can and should be understood more broadly as the task of becoming a lover. Strawser starts by identifying the questions: How should I love the other? Is self-love possible? How can I love God? and themes: love's immediacy, intentionality, unity, and eternity, that are central to the philosophy of love, and he develops a rich context that includes analyses of the conceptions of love found in Plato, Spinoza, and Hegel, as well as prominent contemporary thinkers. Strawser provides an

original and wide ranging analysis of Kierkegaard s writings from the early The Concept of Irony and Edifying Discourses to the late The Moment while maintaining the prominence of Works of Love to demonstrate how Kierkegaard s writings on love are relevant to the emerging study of the philosophy of love today The most unique perspective of this work however is Strawser s argument that Kierkegaard s writings on love are most fruitfully understood within the context of a phenomenology of love In interpreting Kierkegaard as a phenomenologist of love Strawser claims that it is not Husserl and Heidegger that we should look to for a connection in the first instance but rather Max Scheler Dietrich von Hildebrand Emmanuel Levinas and most importantly Jean Luc Marion who for the most part center their thinking on the phenomenological nature of love Based on an analysis of the works of these thinkers together with Kierkegaard s writings Strawser argues that Kierkegaard presents readers with a first phenomenology of love a point of view that serves as a unifying perspective throughout this work while also pointing to areas for future scholarship Overall this work brings seemingly divergent perspectives into a unity brought about through a focus on love which is after all a unifying force
