Holding a Mirror up to Nature James Gilligan, David A.J. Richards, 2021-12-02 Shakespeare has been dubbed the greatest psychologist of all time This book seeks to prove that statement by comparing the playwright's fictional characters with real life examples of violent individuals from criminals to political actors For Gilligan and Richards the propensity to kill others even or especially when it results in the killer's own death is the most serious threat to the continued survival of

humanity In this volume the authors show how humiliated men with their desire for retribution and revenge apocryphal violence and political religions justify and commit violence and how love and restorative justice can prevent violence Although our destructive power is far greater than anything that existed in his day Shakespeare has much to teach us about the psychological and cultural roots of all violence In this book the authors tell what Shakespeare shows through the stories of his characters what causes violence and what prevents it **Love, Perversion or Just Nature?** James Prince, 2015-01-07 It is not always easy to know who is telling the truth you would tell me I can tell you that almost everything that is said or written can be verified One thing is sure and this is that everything I wrote about the word of God everything I wrote about what is from the Bible can be verified So I beg everyone and anyone to get back to me if I said and wrote anything that is not conformed to the scriptures I know perfectly that mistaking is human but I also know that the lie is diabolic and John Jesus brother said no lie comes from the truth See 1 John 2 21 I do not write to you because you do not know the truth but because you do know it and because no lie comes from the truth If you are happy for discovering the truth because of what you read in this book then tell everyone you can and if it is possible do it without risking your life because I wish you can do it for a long time This book contains enough information about the truth the word of God for anyone who wants to be a Jesus disciple to begin his or her mission Don't you ever forget the many Jesus warnings and mine though and remember that you will be flogged in the churches and this most likely unnecessarily May God bless you James Prince with the Jesus discipline A Jesus disciple has only one religion and this is the one he got from Jesus This means to go directly to God and the Father in heaven will receive you See Matthew 6 18 James Prince **The Homiletic Review**, 1907 **Abridgment of Mental Philosophy** Thomas Cogswell Upham, 1870 The Problem of Evil in Hawthorne's Fictional Writing Roy Rogers, 1940 **Divine Order of Development as Traced in Nature, Man, and the Bible** John Coutts, 1908 The Sphere of Religion.
