

An abstract 3D graphic featuring several thick, metallic-looking tubes that are intertwined and curved in various directions. The tubes have a reflective, brushed-metal texture and are set against a dark, gradient background that transitions from a deep purple on the left to a dark teal on the right. The lighting creates strong highlights and shadows, emphasizing the three-dimensional form of the tubes.

Engineering Tables and Data A. M. Howatson, Peter Gradwell Lund, Joseph Derwent Todd, 1972-10 This book brings together information which is used by engineers and needed especially by students of engineering but difficult to find in a collected form In this respect engineering perhaps because it is more often divided into separate branches has so far been less well served than the other physical sciences we hope to have in part redressed the balance The contents are designed chiefly for engineering students of all kinds in universities and colleges but they should also prove useful to practising engineers as a general reference There
