*War of the Bloods in My Veins* DaShaun "Jiwe" Morris, 2009-01-27 By turns harrowing moving and ultimately redemptive this is a war story a war that rages out of control on the streets of the United States claiming the lives of our loved ones and neighbors In this memoir complete with child soldiers unspeakable violence and eventual salvation we witness the journey of an East Coast member of the notorious Bloods gang coming to terms with the lost boy he was and the transformation into the man he wants to become Unlike the child warriors of Mozambique and Sierra Leone gang members and the wars they wage are the United States homegrown nightmare Lacking protection support or any alternatives Dashaun Morris is forced into battle for the first time at age eleven in the streets of Phoenix when a friend s older brothers put him in a car filled with 40s and weed smoke put a gun in his hands then make him point it at the men on the corner and squeeze the trigger The targets are Crips of course and as Morris writes In the darkness of the streets my childhood is murdered I am reborn a gangster In this haunting violent memoir Morris takes us through an American childhood turned grotesquely inside out In the fourth grade he loses his first friend in a drive by shooting By high school he is the man a champion on the football field by day and a reputable banger on his hood turf by night Living the life of a gang banger Morris does it all drug dealing jacking and continuing the aimless war with rival gang members almost opening fire one night on a close friend a cheerleader as she hangs out with young men he mistakes for Crips He eventually makes it to college on a football scholarship but on the verge of being drafted by the NFL Morris can t escape his gang banging mentality and gets caught up in crimes that snatch away all future hopes Sitting in a prison cell he anticipates the birth of his first child while counting the friends he s buried *War of the Bloods in My Veins* is part of Morris s redemption a cry to his brothers that gang life is mental illness It is a rare and brutally honest look into the relentless storm of abandonment violence crime death and the endless rush toward the complete and utter self annihilation that plagues the lives of the young soldiers who die every day in our streets
