My Guys Auto Repair:

They Prepared for the End R.C. Williams, 2018-02-05 They Prepared for the End By R C Williams The town of Paradise Valley isn't your usual sleepy mountain town In the three years since its founding the town and its founders have been preparing for potential catastrophe They have stockpiled resources built fortifications and gathered together a unique group of like minded well trained folks of every walk of life especially warriors from the ranks of the military and police When disaster does strike the town kicks into gear preparing for survival and to protect what's theirs from those who wish to take it Can this American utopia survive the new apocalyptic world or will they witness their bright future fall as the hungry hordes come knocking at their door
