

Essay on My Favourite Sport 200 Words

Badminton is my favourite sport. It can be played indoors and outdoors. It is a great sport for fitness as well as entertainment. People from every age group can play badminton. It is an easy game to play. This sport came into existence in the 19th century when Britishers were ruling India.

It originated from a game called George Cajoles that started in Pune. It is played with a lightweight racket and a shuttlecock which is swung in the air with the help of rackets. It is a sport which makes me energetic and active. It is the source of my energy and entertainment.

I play badminton with my classmates in my school and I play with my best friend in the evening. I love this game because it requires speed and accuracy and I am skilled at both. This game was considered an official sport in the Olympics in 1992.

Though it originated in England, it is now widely played in Asian countries such as India, South Korea, Indonesia, China, etc. Playing keeps me healthy and active throughout the day. I usually play for entertainment but when I feel competitive I get serious and play with precision.

Many organizations conduct these badminton events at the zonal, regional and national levels. I have played at the regional level. Playing this game relieves my stress and makes my mood good. It's my favourite game to play in every mood.
