

My Ideal Spouse

Marriage is the most important and difficult thing in one's life, so we have to choose our life partner prudently. When I was a little girl, like many other girls, I had dreams of marrying a prince riding a white horse on the green pasture and seek for perfect guy. After I grew up, I realized that it is not likely to happen. As I think of my ideal spouse, many traits and qualities come to my mind. Of many qualities, I am going to give 3 most important things that I would look for my ideal spouse. First of all, my spouse should be naive.

Meaning of 'naive' is ranging over a broad gamut, but what I mean is not to smoke, drink, etc. Nowadays many people especially the students are polluted by hazardous things, such as smoking, drinking, watching AV..... However, I don't like smoking and drinking. Moreover, by smoking and drinking, people's health will be undermined and they will more likely to make a mistake. One of my neighbors was divorced. One day, the patriarch of that family had a drinking party at the bar and he had drunk a lot at there. He drank so much that he cannot control himself. One girl worked at the bar came to him and seduce him.

Unfortunately, he couldn't resist to the allurements and made a big mistake. As a result, they have divorce. Secondly, I would like to marry a man who is faithful. I want my spouse to make me trust him that he will love me forever. Trust between each other is an important thing, once a person back down on one's trust, it's almost impossible to regain it. To friends, trust means friendship; to husband and wife, trust means marriage; trust is kind of relationship. For example, one day, husband came back to home late than usual, so the wife asked him the reason. Then he answered that he had a meeting. The wife was relieved after she heard this.

However, the wife found the mark of lipstick on the shirts, smelled out fragrance of the women's perfume and found the name card of the barwoman in the pocket. She asked the husband again with those things, however, the husband was irrefutable. The trust between them was back down. They couldn't live happily after this incident. I have named several characteristics that I would like my spouse to have, but if there is one that is more important than the rest, the belief in Christianity. Religion is important for the one who believes it, so it's very important to have a same religion with the life partner.

Most of the Christian regard strong belief in Christianity as the most important element of choosing their spouse. I do QT(quiet time- get a message from god through reading a bible) almost every day. I have imagined sharing a message of god with husband every morning, just like my mother and father do every day. My mother roused my father from sleep at 6 o'clock in the morning and had a washing up. Then, they sat in the sofa and did QT together. They lived a happy life every day. All in due time, I'm not ready to get married yet, but I will find the man that is close to my ideal spouse and live happily in the future.

Partner Wayne C. Allen, 2012-12-01 You've likely realized that the screwy relationships you have been in were the direct result of you not thinking about how to create an excellent one. Pretending the important life-altering decision to relate is a matter of the heart is not only stupid; it doesn't work. Many moons ago, psychotherapist Wayne C. Allen made a clear decision about his next relationship. He decided that his brain, not just his heart, needed to be in charge of the process. He came up with a strategy for finding the person he wanted. He called it The List of 50. His strategy worked. He met his perfect partner in 2017; they've been together 34 years. Wayne began sharing the process with his clients; soon they demanded a book, and *Find Your Perfect Partner* is the result. Written by a therapist with over 30 years of experience, this book gives you the tools you need to actually think through what kind of person you want to be with. His clients have tested this process for the last 30 years, and now it's available to you. Here's a quote from a client: When I showed my List of 50 to one friend, he said, "Do you have a short list that us mere mortals could aspire to?" My answer was, "I had a short list, and it got me my ex-husband. I'm being more particular now." *Find Your Perfect Partner* is a guide to figuring out the whole attraction/dating/relationship thing. You'll discover reasons for failed relationships and the high divorce rate; how hormones get in the way; how past relationships are great guides to getting the next one right; why you need to think about what works in your successful friendships; which traits must be a match between you and your perfect partner. This book examines what doesn't work, then helps you to map out what's been missing from your past relationships. It gives you an easy-to-follow strategy for re-setting your mental filters so that the next person you meet is a much better fit. You'll have a better sense of why compatibility is so important and have a time-tested method for both opening your eyes to new possibilities and for finding your perfect partner. Follow along with the text, work through the exercises, and put the book's insights into practice. You'll be amazed with the results. One more quote: "My list has been an active part of my relationship building since I drafted it. I have modified the list several times based on how relationships worked out. It was also interesting to note how few elements of my list my ex-wife matched, similar to what you said about your first marriage. I feel that using the process you recommend does improve the quality of the choices you make. Of course, building the other relating skills will complement this as well." **Finding Your Ideal Partner** Karin

Heinitz, 2011-01-26 It only takes 8 simple steps to draw the ideal partner into your life. In this book, psychotherapist Karin Heinitz sets out these 8 steps in a way that has proved effective for all that have followed them. Out of her long experience as a therapist, she begins by addressing the many common beliefs, fears, and anxieties that so often come in the way of people finding, entering, or maintaining relationships, or else make them think they will never find a partner who is right for them. The 8 steps then offer a unique method of embodied visualisation, one which will allow you not only to discover and visualise the type of partner you really want, but sense the reality and presence of that ideal partner in a felt, bodily way, even before meeting them. The book goes on to offer a new understanding of the pitfalls surrounding relationships and the conflicts that may arise in them, showing how these can be circumvented and overcome. It concludes with an appendix written by

psychologist and philosopher Peter Wilberg summarising 30 key insights into relating and relationships in general that can be of value to all

Never Settle Jr Trevor Andrew Scott, 2014-09-28 Anyone can find a partner but very few find their ideal partner Choosing the wrong partner not only has a direct impact on how one succeeds in life but it can also hinder productivity because so much energy is spent on fixing the relationship instead of the relationship being complementary to one's success A successful relationship is something one can attract by the person they consciously become Additionally having such success can be taught While studying Trevor Treo Scott discovered it is a lack of knowledge that prevents people from being successful in love not a lack of feeling People need a blueprint on how to be successful in Love Within these pages is the blueprint In *Never Settle The Essential Guide to Finding and Keeping Your Ideal Mate* Scott shares what quickly led him to find and maintain a healthy and loving marriage of his own In the midst of his own tragic experience he discovered his ultimate purpose is to share with others how they too can create success in finding love and maintaining healthy relationships
