

Why My Mother Is My Hero

Everyone has someone they look up to and want to be just like one day and everyone has a vision of a true hero. My hero is my mother. My mom is my favorite person in the world because she is always there when I need her the most and I don't know where I would be today without her. She has given me a great life and I am thankful for all she does for me. Nobody could ever compare to my mother. She is the most caring, loving, and sincere person I know and that is why she is my hero.

When I think of a hero, I think of someone who is brave, strong, hardworking, trustworthy, fearless and courageous. Someone who can protect you and make your life better; my mom has all of those qualities.

A hero to me is a person that is there for you; they will always be by your side even if times get tough. My mom has never left my side, and I know she will always be there for me whether I am upset and crying or I am celebrating a new accomplishment in my life or angry for having bad grade. I have never met someone who is so selfless as her. She has always put me first in her life and done everything she could to make me happy and to give me the best life. I know that dealing with me is not easy. I am moody, stubborn, and at times I think I know everything. My mother and I don't have the perfect relationship. We get in arguments and disagree on a lot of things, but no matter how big of a fight we get in we always make up by the end of the day because we both know we couldn't live without each other.

My mother is my hero not only because what she offers me and gives back to me but to other people too, she is a great wife, an amazing mother and the happiest person I know.

concrete examples of what it really means to teach for social justice Mom's Stories Heather Randell,2011-05-13 The events recounted here are unapologetically written in a subjective manner and are not recounted for their accuracy as much as for the heritage they celebrate I am sharing stories that our Mother told me of her heritage and life prior to her marriage to our Father Perhaps she told them when I was at home sick or pretending to be Perhaps it was a stormy day and I was afraid Perhaps our Mother was rocking me to help me recover from real or imagined night terrors I fully acknowledge my deep emotional ties to our Mother and therefore I am not claiming to be objective Born in rural Newfoundland in the early 1900 s our Mother lived a very isolated life and perhaps this is why she always cherished her solitude Henceforth I will refer to her as Mom and to our maternal Grandmother as Mother The lady who became Mom insisted on naming the farm animals leaving her home to travel by dog team ship and train to enter a life of service I have to stop myself from getting too far ahead I really hope you enjoy the book as it unfolds I am thrilled that writing down these memories has affirmed for me that most things are relative especially when it involves familial relatives I reiterate that I do not promise that I have produced a factual account of any of the enclosed events but rather I cling to the subjective accounts of our Mom as I remember them I set out to record stories from her childhood and doing so has driven me to writing another one about my own childhood
