Jack Maggs Peter Carey:

Jack Maggs Peter Carey, 2007-12-18 The Booker Prize winning author of *Oscar and Lucinda* returns to the nineteenth century in an utterly captivating mystery. The year is 1837 and a stranger is prowling London. He is Jack Maggs, an illegal returnee from the prison island of Australia. He has the demeanor of a savage and the skills of a hardened criminal, and he is risking his life on seeking vengeance and reconciliation. Installing himself within the household of the genteel grocer Percy Buckle, Maggs soon attracts the attention of a cross section of London society. Saucy Mercy Larkin wants him for a mate. The writer Tobias Oates wants to possess his soul through hypnosis. But Maggs is obsessed with a plan of his own. And as all the various schemes converge, Maggs rises into the center, a dark looming figure at once frightening, mysterious, and compelling. Not since Caleb Carr's *The Alienist* have the shadowy city streets of the nineteenth century lit up with such mystery and romance.

Jack Maggs Peter Carey, 1998 Peter Carey's novel set in London in 1837 is a thrilling story of mesmerism and possession of dangerous bargains and illicit love. Jack Maggs, raised and deported as a criminal, has returned from Australia in secret and at great risk. What does he want after all these years, and why is he so interested in the comings and goings at a plush townhouse in Great Queen Street? And why is Jack himself an object of such interest to Tobias Oates, celebrated author, amateur hypnotist, and fellow burglar, in this case of people's minds of their histories and inner phantoms?

Missions of Interdependence Gerhard Stilz, 2002 At the beginning of the twenty-first century it is necessary to combine into a productive programme the striving for individual emancipation and the social practice of humanism in order to help the world survive both the ancient pitfalls of particularist terrorism and the levelling tendencies of cultural indifference engendered by the renewed imperialist arrogance of hegemonial global capital. In this book thirty-five scholars address and negotiate in a spirit of learning and understanding an exemplary variety of intercultural splits and fissures that have opened up in the English-speaking world. Their methodology can be seen to constitute a seminal field of intellectual signposts. They point out ways and means of responsibly assessing colonial predicaments and postcolonial developments in six regions shaped in the past by the British Empire and still associated today through their allegiance to the idea of a Commonwealth of Nations. They show how a new ethic of literary self-assertion, interpretative mediation, and critical responsiveness can remove the deeply ingrained prejudices, silences, and taboos established by discrimination against race, class, and gender. Hassall, 1998 This is the first comprehensive study of one of the world's most gifted and exciting writers It follows Peter Carey's career from the nightmare haunted stories of *The Fat Man in History* and *War Crimes* to the madcap satire of *Bliss* from Illywhacker's picaresque landscapes to Oscar and Lucinda's glittering achievement and the powerfully confronting vision of *The Tax Inspector* *Dancing on Hot Macadam* is a lucid account of Peter Carey's fiction and its intriguing critical reception It explores his preoccupation with imprisonment and metamorphosis and the desire of his characters to escape from bewildering roles relationships and societies *Dancing on Hot Macadam* is another volume in the excellent *Studies in Australian Literature* series It is a sound and persuasive critique that gets much better as it goes along *Times Literary Supplement* The book contains a lot of ideas and will be the base from which to draw the map of Carey's fiction as it develops further Julian Croft *Weekend Australian*

Rewriting/Reprising

Georges Letissier, 2009-10-02 This volume comprises sixteen essays preceded by an introductory chapter focusing on the diverse modalities of textual and more widely artistic transfer Whereas the first Rewriting Reprising volume coord by C Maisonnat J Paccaud Huguet its subversive potential is perceptible notably through its many attempts at emancipating the genre from the ideological fetters of gender Over the past two decades Victorian literature and culture has become an inescapable field of investigations to any study on intertextuality in the English speaking world In a second part diversity has been preferred to any single specific angle to approach the Victorian neo Victorian tropism The purpose is to provide as complete a spectrum as is reasonably possible in such a volume The practice of rewriting in the Victorian age is thus studied alongside contemporary appropriations of the Victorian canon The question is raised of whether literary fetishism may not result in a form of counterfeit classicism while the more challenging neo Victorian rewritings would make a claim for the need to choose one's literary heritage and ancestors This is where the post colonial agenda comes in Precisely the third part investigates the question of rewriting reprising as a way of writing back The myth of Frankenstein's creature bent on wreaking vengeance on his creator is of course seminal as it offers a myth of transgression which in its turn becomes a foundation myth Not only are post colonial responses to their disclaimed parent texts highly theory informed but they also evince an awareness of such contemporary issues which are direct consequences of the colonial past In the last section of this volume the scope of what comes within the range of intertextuality per se is widened to cover artistic dialogism In the exchanges between theatrical texts reprise may be construed as a metaphor standing for the pleasure inherent in the process of recreation The interaction between embedded paintings and the embedding canvas offers yet another variation on the reprise motif as does the meta aesthetic discourse of the critic on the work of art What begins as mere repetition is soon colored by the personal inflections of the interpreter In operatic performances updating a classical text to make it suitable to contemporary audiences and in close harmony with the role assigned to music is liable to spur on the creativity of recreation
