**Common Core Curriculum: English, Grades K-5** Great Minds, 2014-05-06 Common Core's English resources empower educators to meet the expectations of the Common Core State Standards CCSS for English Language Arts ELA and build essential content knowledge for students in grades K-5. Each grade in The Wheatley Portfolio features a comprehensive coherent sequence of thematic units that engage students in deep study of worthwhile texts and topics. Features of this book include Six thematic units for each grade each centered on a curated collection of literary and informational texts. Focus standards for each unit that complement the topic and promote student mastery of essential literacy skills. Suggested texts and activities to incorporate science, art, and history into English instruction. This revised second edition includes a sample text study that guides students through a close read of an exemplary text, updated web resources, and refreshed suggested works. Educators who create their curriculum based on Common Core's Wheatley Portfolio guarantee that students are exposed to content-rich instruction and have ample opportunity to master the reading, writing, speaking, listening, and language skills articulated in the CCSS for ELA.

**Linking Literacy and Libraries in Global Communities** Marlene Asselin, Ray Doiron, 2016-05-06 Libraries in today's global world have emerged as key players in building a culture for reading in communities while enhancing the literacy development of children, youth, adults, and seniors. Whether one lives in a modern city with sophisticated library services or in a remote region of the world where access to books and literacy services may be limited, librarians and libraries are contributing to the development of learning communities. This book captures some of the essence of this work in libraries in order to inspire and support all those who value the role of libraries in building global communities. The authors highlight the emerging role of libraries and community partners in literacy development and provide concrete examples via case studies drawn from global communities demonstrating how libraries are working to support local literacies. They also suggest recommendations for supporting the critical role for libraries in supporting global literacies. The book will become essential reading for all those interested in literacy and libraries throughout the world.

Children's Authors and Illustrators Too Good to Miss Sharron L. McElmeel, 2004-06-30 Who are today's must-know children's authors and illustrators? McElmeel's ready reference introduces you to some of the hottest new names in children's literature and reacquaints you with established authors and illustrators who are just now becoming recognized for their contributions to the field. You'll find engaging biographical sketches, photos, selected bibliographies, and lists of resources for 45 authors and illustrators including Laurie R. King, Anderson Haemi, Balgassi, Toni Buzzeo, David Diaz, Kate DiCamillo, Linda Sue Park, Chris Soentpiet, Anastasia Suen, Simms Taback, and many more. This all-new new volume is a current and affordable update to the Popular Authors Series. Students will enjoy using it as a resource for reports and research papers, and librarians will find it a handy reference and collection development tool. A great addition to the elementary school library and to the children's room at the public library. Grades K-6.

**A Close Look At Close Reading** Diane Lapp, Barbara Moss, Maria

Grant, Kelly Johnson, 2015-01-29 The Common Core State Standards have put close reading in the spotlight as never before While elementary school teachers are certainly willing to teach students to closely read both literary and informational text many are wondering what exactly this involves Is there a process to follow How is close reading different from guided reading or other common literacy practices How do you prepare students to have their ability to analyze complex texts measured by Common Core assessments Is it even possible for students in grades K 5 to read to learn when they re only just learning to read Literacy experts Diane Lapp Barbara Moss Maria Grant and Kelly Johnson answer these questions and more as they explain how to teach young learners to be close readers and how to make close reading a habit of practice in the elementary classroom Informed by the authors extensive field experience and enriched by dozens of real life scenarios and downloadable tools and templates this book explores Text complexity and how to determine if a particular text is a right fit for your learning purposes and your students The process and purpose of close reading in the elementary grades with an emphasis on its role in developing the 21st century thinking speaking and writing skills essential for academic communication and required by the Common Core How to plan teach and manage close reading sessions across the academic disciplines including the kinds of questions to ask and the kinds of support to provide How to assess close reading and help all students regardless of linguistic cultural or academic background connect deeply with what they read and derive meaning from a complex text Equipping students with the tools and process of close reading sets them on the road to becoming analytical and critical thinkers and empowered and independent learners In this comprehensive resource you ll find everything you need to start their journey **The Horn Book Guide to Children's and Young Adult Books** ,2006
