**The Right to Food and the TRIPS Agreement** Hans Morten Haugen, 2007-10-30 A concise analysis of the relationship between patent rights and human rights is given in this book focusing on the right to food The UN Sub Commission on Human Rights identified apparent conflicts or actual or potential conflicts between human rights and intellectual property rights The TRIPS Agreement under the WTO Agreement and the International Covenant on Economic Social and Cultural Rights constitute the central treaties in the analysis The book finds that the right to food and related human rights of the Covenant give important guidance when implementing intellectual property legislation and science policy in general Moreover the book does not find that the two treaties actually conflict There are however concerns regarding the national implementation of the treaties Parliamentary Papers Great Britain.
