Southern African Division. General Conference. Missions Department, 1950* *Manual of Bible Doctrines (Classic Reprint)* Daniel Kauffman, 2015-07-07 Excerpt from Manual of Bible Doctrines In sending forth this little volume for the instruction and edification of whoever may choose to read it it is hoped that it will be received in the same spirit in which it is given When I started out in the Christian service I tried to secure a book of this kind and found after diligent research that it was not to be

had Since then I have not ceased to recognize the need of a work setting forth the doctrines taught in the Book of all books with which Christians are most vitally concerned It is with the hope of partially supplying this want that this little volume appears Many readers will look for Bible subjects in which they may be very much interested and fail to find them To such I would say that we have presented those Bible doctrines only which were considered of greatest importance dwelling more particularly upon the doctrines peculiar to non resistant Christians I should never have undertaken this work had I not felt that the doctrines herein presented are founded upon the imperishable Rock and should have the widest possible circulation What is good for ourselves is good for others About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Summary of Christian Doctrine Louis Berkhof,1938-07-18 Similar to the author s *Manual of Christian Doctrine* this volume offers a simpler and briefer presentation of Christian doctrine geared especially to high school students Technical terms and detailed explanations have been avoided and important Scripture passages are printed in full Includes review questions *Christian Doctrine: Rightly Dividing the Word of Truth* , **A History of Christian Doctrines** Karl Rudolf Hagenbach,1881
