

motorola Portable Bluetooth® Hands-Free Speaker

MOTOSTART

Get connected in 4 quick steps.

T305

BEFORE YOU BEGIN

Before using this product, read the Important Safety and Legal Information pamphlet and follow its instructions.

Take a moment before you get started to familiarize yourself with your new T305 Portable Bluetooth Hands-Free Speaker.

① CHARGE YOUR HANDS-FREE SPEAKER

Charge your hands-free speaker's battery for 2 hours:

Note: Do not place hands-free speaker with clip installed on visor when charging.

- 1 Plug the Motorola charger into the charging port on the end of the hands-free speaker.

The indicator light turns steadily red when the battery is charging and the hands-free speaker is turned off. It may take up to 1 minute for the indicator light to turn on. When the hands-free speaker's battery is fully charged (about 2 hours), the indicator light turns steadily blue.

- 2 Disconnect the charger.

Note: Hands-free speaker is functional while charging; however, when charging the hands-free speaker while turned on, the indicator light does not provide charging status.

② START BLUETOOTH FEATURE

Your Phone

Your phone's Bluetooth feature is off by default. To use your hands-free speaker, you must turn on the Bluetooth feature in your phone.

For most Motorola phones (at the main menu):

- 1 Press **[T]** (Menu) > **Settings** > **Connection** > **Bluetooth Link** > **Setup**.
- 2 Scroll to **Power**.
- 3 Select **Change**.
- 4 Scroll to **On**.
- 5 Press **Select** to turn on the Bluetooth feature. The Bluetooth feature remains on until you turn the feature off.

Note: These steps are for most Motorola phones. For other phones, see your phone's user's guide.
