School context

This is a small rural school in a refurbished Edwardian building with large grounds. There are 95 children on role from 4 to 11 years, divided into 4 classes. The vast majority are from white British families. The church is a short walk from the school, and is one of three in the benefice. A significant number of pupils have special educational needs and several live outside the catchment area.

The distinctiveness and effectiveness of Nacton VC Primary School as a Church of England school are good.

The school's Christian ethos ensures good relationships with positive values and attitudes to teaching and learning. Pupils are well cared for in a happy, inclusive and secure environment which promotes hard work, achieves good academic standards, nurtures respect for others and gives all children equal opportunities. The staff team, together with the incumbent and foundation governors, fosters good working relationships with the local church and community.

Established strengths

- Christian values clearly guide and influence school life and are recognised and encouraged by everyone connected to the school.
- The school enjoys, and benefits from, close links with the local church and village.
- Good academic results and excellent attendance are attributed by all stakeholders to the school's Christian ethos.
