#### WARNING

Read all of the machine's safety-related topics in this Operation & Maintenance Manual before operating or maintaining the machine. The manual should be kept near the machine for reference and periodically reviewed by all personnel who will come into contact with it.

#### NOTES

Consult your Operation & Maintenance Manual when it comes other languages. If a foreign language version is necessary, contact your local distributor for assistance.

**KOMATSU**

## 1. FOREWORD

This manual provides rules and guidelines which will help you use this machine safely and effectively. Read this manual carefully and make all personnel read it periodically. If this manual has been lost or has become dirty and can no longer be read, request a replacement manual from Komatsu or your Komatsu distributor.

If you sell the machine, be sure to give this manual to the new owner.

Continuing improvements in the design of this machine can lead to changes in detail which may not be reflected in this manual. Consult Komatsu or your Komatsu distributor for the most available information of your machine or for questions regarding information in this manual.

This manual may contain attachments and optional equipment that are not available in your area. Consult Komatsu or your Komatsu distributor for those items you may require.

#### WARNING

- Improper operation and maintenance of this machine can be hazardous and result in death.
- Operators and maintenance personnel should read this manual thoroughly before beginning operation or maintenance.
- Some actions involved in operation and maintenance of the machine can cause a serious accident, if they are not done in a manner described in this manual.
- The provisions and precautions given in this manual apply only to intended uses of the machine. If you use your machine for any unapproved uses that are not specifically prohibited, you must be sure that it is safe for you and others. In no event should you or others engage in prohibited uses or actions as described in this manual.
- Komatsu delivers machines that comply with all applicable regulations and standards of the country in which it has been designed. If the machine has been purchased in another country or purchased from someone in another country, it may lack certain safety devices and specifications that are necessary for use in your country. If there is any question about whether your product complies with the applicable standards and regulations of your country, contact Komatsu or your Komatsu distributor before operating the machine.
- The description of safety is given in KOMATI's definitions listed on page 3 and in COMETI from page 3.5.
