Measuring Your Impact Chapter 12:

The Personal Brand Mistake That's Costing You Opportunities Right Now Naomi Clarke,2025-12-06 You have skills experience and value to offer Yet the right opportunities pass you by Someone with less expertise lands the client you wanted A peer gets the speaking invitation the partnership the visibility you deserve The difference is not talent It is personal branding and you are likely making a critical mistake without realizing it Most people either avoid personal branding entirely thinking it requires fake self promotion and constant attention seeking or they chase every social media trend and burn out trying to be everywhere Both approaches fail This book shows you the middle path building a genuine sustainable personal brand that actually attracts aligned opportunities without exhausting you or forcing you to become someone you are not You will learn what a personal brand actually is beyond the buzzword why it has become non negotiable for career growth and business success and how to audit your current online presence to spot where it is silently working against you The book walks you through clarifying your unique positioning so you stand out based on specific value and perspective not generic skills everyone else claims You will discover how to create content that showcases your expertise without becoming a full time content creator how to build platforms strategically instead of chasing trends and how to maintain consistency across channels while protecting your energy *Measuring and Improving Social Impacts* Marc J. Epstein,Kristi Yuthas,2017-09-08
