practices from a more cosmopolitan perspective **Living Media Ethics** Michael Bugeja, 2018-10-26 Winner of the Clifford G Christians Award for Research in Media Ethics Michael Bugeja's *Living Media Ethics* posits that moral convergence is essential to address the complex issues of our high tech media environment As such the book departs from and yet complements traditional pedagogy in media ethics Bugeja covers advertising public relations and major branches of journalism as well as major schools of philosophical thought and historical events that have shaped current media practices Examining topics including responsibility truth falsehood temptation bias fairness and power chapters encourage readers to develop a personal code of ethics that they can turn to throughout their careers Each chapter includes exercises as well as journal writing and creative assignments designed to build test and enhance individual value systems Unlike other texts this media ethics book ends with an assignment to create a digital portfolio with personal ethics code aligned with a desired media position or company *Desperately Seeking Ethics* Howard Good, 2004-09-08 Trends prevailing in the media suggest a seemingly disintegrating concept of media ethics It is no surprise being ethical is hard work and could very well put a person in conflict with prevailing trends Many of the people cited within the 13 essays of *Desperately Seeking Ethics* illustrate this from Socrates and Martin Luther King Jr who both died for their principles to reporter David Kidwell of the Miami Herald who chose jail over testifying for the prosecution in a murder trial This is not just another media ethics book Engaging and non conventional it breaks away from the usual text practice of presenting the ethical theories of well known philosophers in watered down form Instead the contributors all of whom teach media ethics select a poem movie song speech or other cultural document analyze it for implied or explicit ethical lessons and then apply the lessons of that work to a specific case that involved controversial media conduct In addition to endnotes each chapter contains questions for discussion and a list of further readings Where possible the contributors have included all or part of the poems speeches and other documents they analyze as sources of ethical instruction and inspiration *Ethics and the Press* John Calhoun Merrill, Ralph D.
