My First ABC Dot Markers Activity Book Annmarie Herman, 2021-01-10 Do a dot page a day as a fun way to introduce the ABCs to your young learner You can easily include this in your weekly at home activities since this book includes four pages for each letter of the alphabet This book

includes both uppercase and lowercase letters throughout. It's so important to include lowercase letter practice at an early age since books are mostly filled with them in comparison to uppercase letters which are only found at the start of sentences and names. Recognizing all types of letters at an early age helps your child will feel more confident and connected to the storybooks that are being read. Fun facts: This activity will help your child practice hand-eye coordination while placing their stamp on the circle guides. It improves hand dexterity and fine motor skills as they hold and manipulate the direction of their markers. Promotes artistic expression as they choose different color arrangements. You can use spot stickers to decorate the pages as an alternative to paint daubers. What's included: Includes both uppercase and lowercase letters throughout the book. There are four pages of activities for each letter with 104 full-sized activities in total. Illustrated and created by the author and artist for continuity. Printed on single-sided pages to help prevent bleed-through. You can easily place an extra sheet of paper behind each page for extra protection. Guided circles were carefully measured to fit standard dauber marker size perfectly.
