Isixhosa National Paper 2013 Grade 6

Jaekyung Lee, Kenneth K. Wong

Isixhosa National Paper 2013 Grade 6:

The Transformative Power of Language Russell H. Kaschula, H. Ekkehard Wolff, 2020-09-10 Language has played a pivotal role in societal transformation in postcolonial Africa towards the creation of globally competitive knowledge societies however so far this role has been under researched and under estimated This volume addresses this gap in the literature by bringing together a team of globally recognised scholars to explore the effect of language on African postcolonial societies and how it has contributed to achieving mental decolonisation A range of languages are explored both imported ex colonial and indigenous African and case studies from different spheres of public discourse are investigated from universities to legal settings Demonstrating that multilingualism is a resource for rather than barrier to successful transformation this book brings the intellectualisation and institutionalisation of African languages to the forefront of development discourse and provides an insightful snap shot of how current academic research public discourse political activism and social community engagement have contributed to societal transformation in South Africa

Centering Whole-Child Development in Global Education Reform Jaekyung Lee, Kenneth K. Wong, 2022-05-25 This volume offers critical analysis of national school reform policies intended to align with global agendas to promote educational quality and equity By uniquely foregrounding the need for education reform to nurture child well being alongside traditional measures of academic achievement the book identifies common challenges across the Global North and South and extends insights provided by international student assessment data Chapters offer a close analysis of reform practices in countries in Africa Europe Asia and the Americas to consider cultural social political and functional aspects which drive or inhibit the success of reform initiatives Providing excellent insights into holistic education for children and youth this book highlights lessons to support global efforts in providing high quality equitable education for the whole child Developing international knowledge and supplementing international data this volume will be of interest to students scholars and researchers with an interest in education policy as well as comparative and international education
