**The Escape (US Marshalls Book #1)** Lisa Harris, 2020-11-03 US Marshalls Madison James and Jonas Quinn are thrust into a high profile case when they are called on to transport two prisoners across the country on a private plane. But when the plane experiences engine trouble en route from the Pacific Northwest to Colorado, the pilots crash land the aircraft deep in the heart of the sprawling Salmon Challis National Forest. When Madison and Jonas regain consciousness, they find both pilots and one prisoner dead and one fugitive on the run. They'll have to negotiate the rugged and remote backcountry through Idaho, Wyoming, and Colorado while tracking a murderer who is desperate to disappear and will do anything to stop them. This high octane game of cat and mouse from bestselling and award winning author Lisa Harris will have your heart pumping as you try to catch a fugitive with nothing to lose. *Cold Light of Day (Missing in Alaska Book #1)* Elizabeth

Goddard, 2023-02-07 In this first installment of the Missing in Alaska series, Goddard weaves a gripping mystery set in southeast Alaska. Readers will be eager for the next in the series. Publishers Weekly: Police Chief Autumn Long is fighting to keep her job in the quiet Alaska town of Shadow Gap when an unexpected string of criminal activity leaves her with a wounded officer, unexplained murders, and an attack on her own father. Despite her mistrust of outsiders, she turns to Grier Brenner, a newcomer who seems to have the skills and training Autumn needs to face this threat to her community. Grier is in Alaska for the same reason many others are: to disappear. When Chief Long enlists his help, he emerges from the shadows and proves his mettle, but his presence in her life could be a deadly trap for them both. If his secret is exposed, all will be lost. And he's not sure even Autumn could save him. The first book in Goddard's Missing in Alaska series will keep readers glued to their seats as the tension escalates. **Booklist**

This box set contains three gripping stories of survival, strength, and realizing that sometimes it's worth it to let go and fall in love. From forbidden love to fake relationships to second chances intermingled with suspense, danger, and edge-of-your-seat excitement, this collection of romantic suspense novels has it all. His Witness: Anna Lewis is in the Witness Protection Program. She should be safe, able to go about her new life without worry, until her past catches up with her. Luckily, sexy US Marshalls agent Diego Mendez is there to keep her safe. His Honor: When US Marshalls agent Vanessa Cambridge is assigned to protect a federal judge who had recently been shot, she doesn't expect to come face-to-face with her ex, Declan White. The simmering tension and pent-up anger between them makes it challenging to focus on the assignment until Declan's life is threatened for a second time. His Security: Somebody on the inside is making deals with criminals. US Marshalls agent Martin Eskildsen is determined to find out who. He's been assigned to work undercover with fellow US Marshalls agent Emery Carmichael. He's never before worried that his feelings for another agent would get in the way of the job. Until now. **THE DARKNESS Boxed Set: Books 1-3** Autumn
