Lunion Europeenne Et La Securite Internationale

Anne Hamonic

L'Union Européenne Et La Sécurité Internationale:

L'Union Européenne et la sécurité internationale, 2009-06-01 Face à l'Iran dans le Méditerranéen ou en Afrique subsaharienne le rôle joué par l'Union européenne en matière de sécurité internationale ne passe plus inaperçu. Les recherches et les enseignements sur ce thème se multiplient. Ils portent aussi bien sur **Les relations entre l'Union européenne et l'ONU dans le domaine de la gestion des crises**. Anne Hamonic, 2018-05-07. L'heure où les sources et les zones d'instabilité et de conflit se multiplient dans le monde, l'ambition pour l'Union européenne d'affirmer son identité sur la scène internationale revêt un sens et une ampleur renouvelés. En matière de paix et de sécurité, sa coopération avec l'ONU devrait s'imposer. Toutefois, les règles relatives aux relations entre l'organisation universelle et les organisations régionales demeurent souvent imprécises ou inadaptées. L'objet de cet ouvrage consiste à proposer une analyse juridique détaillée des relations se développant entre l'Union européenne et l'ONU dans le domaine particulier de la gestion des crises et à apprécier comment et dans quelle mesure, à travers ces relations, l'Union européenne contribue à l'évolution du droit des relations entre l'ONU et les organisations régionales dans le maintien de la paix et de la sécurité internationales à travers le double prisme de la dimension institutionnelle et de la dimension opérationnelle. Il met en lumière une contribution de l'Union européenne certes variable mais néanmoins significative. En effet, l'institutionnalisation des relations entre l'Union européenne et l'ONU dans la gestion des crises au niveau multilatéral comme sur le plan bilatéral se présente comme une source stimulante d'innovation. Concomitamment, la coopération opérationnelle Union européenne-ONU participe à la rénovation de la répartition fonctionnelle et géographique des rôles entre l'ONU et les organisations régionales dans le maintien de la paix et de la sécurité internationales. L'ouvrage interrogera les spécialistes de l'Union européenne qui travaillent sur son action extérieure, notamment en matière de sécurité et de défense, et les spécialistes du droit international et des relations internationales qui étudient ou participent à l'action de l'ONU en matière de maintien de la paix et de la sécurité internationales. **La sécurité internationale après Lisbonne**. Michel Liégeois, Thierry Balzacq, 2013-05-22. Ce volume offre un panorama représentatif de l'actualité de la recherche européenne en relations internationales en matière de sécurité et en analyse des politiques européennes de sécurité et de défense.

EC/EU, a world security actor? Gérard Bossuat, 2007. La dimension extérieure de l'espace de liberté, de sécurité et de justice de l'Union européenne après le Traité de Lisbonne. Catherine Flaesch-Mougin, Lucia Serena Rossi, 2013-04-03. Le présent ouvrage est le résultat d'une recherche conjointe entre les Universités de Bologne, Rennes et Bruxelles sur le thème de la dimension extérieure de l'espace de liberté, de sécurité et de justice de l'Union européenne ELSJ. Cette recherche a été soutenue par la Commission européenne dans le cadre de l'Action Jean Monnet. Il associe des professeurs et chercheurs de renom qui conjuguent leurs compétences et situent leur analyse à l'intersection des politiques en la matière et des politiques externes de l'Union européenne. Les auteurs valuent de manière critique l'impact du traité de Lisbonne et de la pratique de l'Union concernant la dimension extérieure de l'ELSJ. Cette dimension dont l'importance ne cesse de croître oblige l'Union à concilier

des impératifs parfois contradictoires entre les objectifs sécuritaires de l'ELSJ ou ceux de l'action extérieure ou encore avec les valeurs sur lesquelles elle est fondée. Les auteurs tentent de répondre différentes questions induites par le nouveau système de représentation extérieure de l'Union dans le domaine de l'ELSJ. Quelles sont les retombées juridiques du nouveau système ? Quel est galement son impact politique ? Ne risque-t-on pas une incursion croissante de la politique étrangère et de sécurité commune PESC dans les aspects sécuritaires de l'ELSJ ?

L'Europe et la sécurité internationale, 1997

L'Union européenne et la politique étrangère Estelle Poidevin, 2010

Figure m connue le Haut représentant pour la politique étrangère et de sécurité commune PESC occupe une place centrale sur la scène européenne. Chargé de contribuer à la formulation, la laboration et la mise en œuvre des décisions politiques du Conseil, il intègre depuis peu les fonctions de commissaire chargé des relations extérieures. Par quelles stratégies a-t-il consolidé son rôle ? Dans quelle mesure le lien direct avec les États membres a-t-il pu favoriser ou entraver sa marge d'action ?

Revue du Marché commun et de l'Union européenne, 2006

La politique européenne de sécurité et de défense (PESD) André Dumoulin, Raphaël Mathieu, Gordon Sarlet, 2003

Les relations entre l'Union européenne et l'Organisation des Nations Unies dans le domaine de la gestion des crises Anne Hamonic, 2012

Dans le cadre de l'action extérieure de l'Union européenne, l'ONU occupe une place privilégiée qui constitue un puissant facteur de rapprochement entre les deux organisations. Depuis quelques années se développent notamment des relations entre l'UE et l'ONU dans le domaine de la gestion des crises qui se présentent comme une déclinaison nouvelle et originale des relations entre l'ONU et les organisations régionales dans le maintien de la paix et de la sécurité internationales. Or en la matière si la Charte des Nations Unies esquisse certaines règles des évolutions importantes se sont imposées en pratique en particulier depuis la fin de la Guerre froide. L'objet de cette recherche consiste à opérer une analyse juridique des relations entre l'UE et l'ONU dans le domaine de la gestion des crises et à apprécier comment et dans quelle mesure travers elles l'UE contribue à l'évolution du droit des relations entre l'ONU et les organisations régionales dans le maintien de la paix et de la sécurité internationales. À travers le double prisme de la dimension institutionnelle et de la dimension opérationnelle, l'étude met en lumière une contribution certes variable mais néanmoins significative de l'UE. En effet, l'institutionnalisation des relations entre l'UE et l'ONU dans la gestion des crises au niveau multilatéral comme bilatéral se présente comme une source stimulante d'innovation. Concomitamment, leur coopération opérationnelle participe à l'innovation de la répartition fonctionnelle et géographique des rôles entre l'ONU et les organisations régionales dans le maintien de la paix et de la sécurité internationales.

Le droit international en transition, 2024-11-21

Ce volume collectif marque un moment de référence dans la recherche juridique internationale réunissant des études présentées lors de la 4e Conférence internationale sur le droit comparé et international qui a eu lieu à Bucarest le 14 juin 2024. L'ouvrage se distingue par la pertinence et la nouveauté scientifique des thèmes abordés reflétant des enjeux d'actualité majeurs tels que la sécurité mondiale, la justice climatique et l'impact de la technologie sur les droits de l'homme. Ce qui confère ce volume une valeur particulière c'est la manière innovante dont les

auteurs traitent des sujets mergents comme la militarisation des changements climatiques la criminalit transnationale et l utilisation des technologies avanc es dans la gouvernance internationale Les analyses ne sont pas uniquement th oriques elles proposent des solutions pratiques aux d fis juridiques de demain faisant de cet ouvrage un outil indispensable pour le d veloppement du droit international

Conférence internationale du Conseil de l'Europe sur les questions éthiques soulevées par l'application de la biotechnologie : actes, Oviedo (Espagne), 16-19 mai 1999 Council of Europe, 1999 The objective of the conference was to identify the ethical issues in relation to biotechnology from a multidisciplinary and multicultural perspective in the hope of promoting open public debate The subjects covered were human health food the environment animal welfare research industry north south relations and public perception The conference sought to identify appropriate ways of dealing with ethical issues and lay the basis for a harmonised approach at international level that could result in a possible new convention
