While Vanessa has to hide from Cole that she's a vampire, yet wants him to get close to her, things get more complicated when it becomes clear that somebody in San Francisco is turning unstable young men into vampires and lets them loose on the unsuspecting public. Scanguards has their hands full to protect the city while trying to capture the rogue vampire and uncover his motives. Can Vanessa risk Cole finding out what she really is so she can protect him from becoming the next victim of the rogue, or will he recoil from her and forsake the love that has started to grow in his heart?

**ABOUT THE SERIES**

The Scanguards Vampires series is full of fast-paced action, scorching love scenes, witty dialogue, and strong heroes and heroines. Vampire Samson Woodford lives in San Francisco and owns a security/bodyguard company, Scanguards, which employs both vampires and humans. And eventually, some witches. Throw in a few immortal guardians and demons later in the series, and you'll get the drift. Each book can be read as a standalone and always centers around a new couple finding love, but the series is more enjoyable when read in order. And of course, there are always a few running jokes you'll understand when you meet Wesley, a wannabe witch.
