

A close-up, dramatic portrait of a Viking warrior. He has a thick, dark beard and is wearing a dark, ornate leather tunic with metal studs. A thick, grey fur cloak is draped over his left shoulder. He is holding a large, battle-worn axe with both hands. The axe head is decorated with intricate silver or metal patterns. The background is dark and smoky, with some orange light suggesting fire or battle. The overall tone is gritty and intense.

Demonico, After being safely transported to a secret location Princess Colby awaits the return of her feral Viking lover But during a hushed conversation with a female captive she learns the true intent of the Nordic tribesmen What she discovers will alter the course of her life forever Because of this news his sudden appearance is both thrilling and terrifying to her Desperate to know her fate for certain she confronts the dark marauder about his motives His confession stuns her but curiously presents her with the choice of a lifetime That choice will forever seal the fate of her tortured passionate love for the man who has turned her world upside down Will she reluctantly comply with what fate has presented to her or will she resist her deep need to submit to him until the end **WARNING** This 5 800 word story features graphic sexual scenes All participants in this title are 18 years of age or older An Excerpt from the Book The King continued This is your home now Princess Even if you could escape and did return to the Stronghold of Auchendale you know that your father would disown you You have been misled about your true purpose in this world Now you will come to know the truth Suddenly he seemed enormous to her The muscled battle bloodied man shadowed her diminutive frame as he peered down upon her with dark intent At first she looked away but his motion was like gravity to her and as he drew closer she found herself hopelessly

looking back Nervously her eyelids fluttered and then flew open wide when his kiss overtook her again It was long and rough and sorely needed by her His stubble bristled against her delicate features while his tongue probed deep hard and long into her hungry orifice Just as he had done to her homeland the King invaded her completely overwhelmed her defenses and left her weakened and vulnerable As the passion unfolded she could sense the familiar heat that she d come to associate with him return to her body Like a warm summer rain it washed over her and offered a prelude to the cascade of moisture that building in her darkest of places So many emotions fluttered in her mind before that moment but somehow with a single stroke he d erased them all Now she was helpless in the rising tide of his lust and she knew that only he was capable of guiding her to safety

Claimed by the Vikings - Reluctant Virgin Rough Viking Gangbang Francis Ashe, When Leta escaped from the terror of marauders destroying her home village the last thing she expected was to fall into the arms of Ragnar Thyrsson a mighty Viking who swore to keep her safe After a harrowing escape from a group of English brigands Ragnar scouts ahead to make sure the path is clear Will Finn Hrolfgar Vorix and Tyr be able to keep their savage lust under control or will Leta be CLAIMED BY THE VIKINGS Warning This 13500 word standalone erotic sizzler features four mighty warriors with great appetites for meat mead and women a VERY rough night in a meadow tender love deep secrets explicit group sex double penetration facial and internal finishes and a lass with a face and body so sweet that Freya herself is jealous A taste to tickle your fancy The night was full dark but the campfire still had a bit of smolder to it enough for me to barely make out the man s hard features and the small gap between his front teeth What s going on I whispered We re alone finally is what s going on What do you mean we re finally alone Hrolfgar s right outside the tent on duty And anyway why does it matter if we re in a tent together What s so exciting about that Hrolfgar s drunk and asleep And if you can t figure out what there is to be excited about I ll show you A vague hint of the meat from earlier and the mead we passed around the fire lingered on the youngest Viking s breath as his lips pressed to mine and his fingers tangled in the hair on the back of my head What are you No Get off me I pushed him back I tried to hold him at arm s length but tiny little Leta controlling one of these husky warriors was just not very likely Soon he had both of my wrists in his hands and flipped me over on my back With him between my legs I felt the Viking s prick hard against my body I twisted my hips this way and that to unbalance him but

as time went on my efforts started to flag a little and then I gave up Both he and I watched each other s face for a few moments Breathing in breathing out His chest rose and fell and when he let go of my wrists instead of slapping at him or trying to stick my thumbs in his eyes I flattened my palms against the muscles above his navel My fingertips bounced over his rippled ridged stomach until I touched his What s this Hrolfgar s voice was thick and soupy but he was awake at least What s going on Vorix Why are you in my hey wait a minute Relax big man We re just warming up for the night He slipped a hand underneath my waist and when I started to speak he clamped hard I let out a little yelp and shut my mouth Get out of here fool the bigger man said She s Ragnar s Don t make a mistake you ll regret when you wake up hung over Oh that s a good one me with a hangover How was your nap Hrolf She isn t Ragnar s she s Canute s Or whatever that strange little princeling of his is named Ragnar just gave her a go around to make sure everything worked right Isn t that right Leta No I mmf mrf See She said yes What No she didn t you horse s ass She said What the frozen hell does it matter She s a slave Hrolf At some point the other two had apparently heard the commotion Hrolf Vorix I hope we re not interrupting a lover s quarrel Tyr laughed loud at his own joke No you broad nosed fool Vorix said eyes flaring I was sampling the wares that Ragnar dredged up and Hrolf decided to come chastise me about it For some reason he thinks I m interested As he spoke Vorix began to curl his fingertips on my soft naked belly skin Now if you ll all shove off I can get on with it He shrugged in his easy carefree way And then you can have a go I suppose Who s to stop you Well Ragnar for one He s not going to be happy I was by then far too caught up in what seemed inevitable The lean clean faced Viking between my legs pushed his hips against me The tip of his cock threatened to dip inside and I have to admit even with the fear the terror that hung in the back of my mind the way he touched me made my toes curl See how she s acting You think she doesn t want this Ever since Ragnar broke her she s insatiable Vorix said Go on get out Or don t What do I care The hand on my belly stroked all the way up to my neck his thumb ran along my jaw and then he leaned to kiss me His lips were suitably rough and his kiss hard and desperate but behind all of his movements and his affections was a gentleness that surprised me His weight against my hips made me feel secure somehow even though I was well aware of his intentions and of the other three men that just stood around behind us as though there was nothing better to do
