All I Want Is Loving You Steve Bergsman, 2023-10-30 In *All I Want Is Loving You* Popular Female Singers of the 1950s author Steve Bergsman focuses on the white female artists of the 1950s a time that predated the chart topping girl groups of the early 1960s These popular performers many of whom graduated out of the big bands of the 1940s impacted popular music in a huge way As the last bastion of traditional pop and the last sirens of swing they undeniably shined in the spotlight Yet these singers fame dimmed relatively quickly with the advent of rock n roll A fortunate few like Doris Day Patti Page Peggy Lee and Debbie Reynolds experienced some of their biggest hits in the late 1950s and Eydie Gorm broke out in the 1960s The luckiest including Dinah Shore and Rosemary Clooney ventured to television with varying degrees of success Others would become major attractions at nightclubs in Las Vegas or like Teresa Brewer shift into the jazz world Though the moment did not last these performers were best selling singers darlings of the disk jockeys and the frenetic heartbeat of fan clubs during their heyday In a companion volume Bergsman has written the history of African American women singers of the same era These Black musicians transitioned more easily as a new form of music rock n roll skyrocketed in popularity In both books Bergsman reintroduces readers to these talented singers offering a thorough look at their work and turning up the volume on their legacy

Music inspired by political themes and politicians can reveal a great deal about significant people and events that have shaped our national political atmosphere. *American Political Music* provides a state by state inventory of thousands of songs about American political personalities from 1756 through 2004. The book documents music for all political offices except president. Within each state and the District of Columbia, the names of elected politicians, candidates for public office, and other high profile individuals appear in alphabetical order with a detailed listing of published songs that relate to them. Also included under each state where applicable is a miscellaneous section containing general political topics about that state, everything from temperance, "Vote Our California Dry," to the women's vote Rally Song for the Ohio Suffragist, to the introduction of Boston's first public water system, "Cochituate Grand Quick Step." Under each person or topic are listed related songs with title, tune, composer, and lyricist, publisher, copyright year, and information on where a particular song or its lyrics may be found, i.e., broadsides, sheet music, songbooks, songs published in newspapers, wax cylinders, piano rolls, vinyl records, CDs, internet, or mp3 files. Also included is an appendix of parodied songs demonstrating, among other things, the durability of "Battle Hymn of the Republic" and "Yankee Doodle" as fertile and favored ground for the parodist. The book also includes a list of publishers by city and indexes of song titles, authors and composers, politicians and subjects, and offices.
