Khrushchev The Man And His Era:

Khrushchev William Taubman, 2003 Tells the life story of twentieth century Soviet leader Nikita Khrushchev featuring information from previously inaccessible Russian and Ukrainian archives **Khrushchev** Prof. William Taubman, 2017-10-05 Taubman delivers a political and biographical tour de force something approaching a definitive work Simon Sebag Montefiore The Financial Times Outstanding superbly gripping and surely definitive Daily Telegraph Taubman has produced an utterly convincing picture of the contradictory Khrushchev from his peasant origins and meteoric rise through purges politburo plotting brave de Stalinisation and the erratic blustering bull in a china shop style that eventually alienated his colleagues and took the world to the brink of Armageddon over Cuba SUNDAY TIMES Unlikely to be surpassed any time soon either in richness or complexity A monumental biography New York Times William Taubman's brilliant biography of one of the key figures of the Soviet Union is a study in contrasts how the boy from a peasant background rose to the heights of power how a single minded ambitious political player survived twenty years under Stalin how he opened up to the West after Stalin's death and yet brought the world close to oblivion in the Cuban Missile Crisis What emerges is a fascinating picture of a man constantly torn between benevolence and malevolence a man who made himself cultured and yet who could never really escape his image as a bullying country bumpkin most famously demonstrated by his interruption of Macmillan's speech to the UN in 1960 by banging his shoe on the table the urbane Macmillan responded Mr President perhaps we could have a translation I could not quite follow William Taubman has previously edited collections of Nikita Khrushchev's speeches and reminiscences and is completely immersed in this subject his biography is likely to remain the standard work for years to come **Khrushchev** William Taubman, 2009-07-10 A portrait of the head of the Soviet Union whose rule followed Stalin's identifies his impact on the country and the rest of the world citing how his career reflected of the Soviet experience and tracing his efforts to reform communism and ease the cold war Reprint 20 000 first printing **Gorbachev** William Taubman, 2017-09-05 Finalist for the National Book Critics Circle Award in Biography Longlisted for the Andrew Carnegie Medal for Excellence in Nonfiction The definitive biography of the transformational Russian leader by the Pulitzer Prize winning author of Khrushchev Essential reading for the twenty first century Radhika Jones The New York Times Book Review When Mikhail Gorbachev became the leader of the Soviet Union in 1985 the USSR was one of the world's two superpowers By 1989 his liberal policies of perestroika and glasnost had permanently transformed Soviet Communism and had made enemies of radicals on the right and left By 1990 he more than anyone else had ended the Cold War and in 1991 after barely escaping from a coup attempt he unintentionally presided over the collapse of the Soviet Union he had tried to save In the first comprehensive biography of the final Soviet leader William Taubman shows how a peasant boy became the Soviet system's gravedigger how he clambered to the top of a system designed to keep people like him down how he found common ground with America's arch conservative president Ronald Reagan and how he permitted the USSR and its East European

empire to break apart without using force to preserve them Throughout Taubman portrays the many sides of Gorbachev s unique character that by Gorbachev s own admission make him difficult to understand Was he in fact a truly great leader or was he brought low in the end by his own shortcomings as well as by the unyielding forces he faced Drawing on interviews with Gorbachev himself transcripts and documents from the Russian archives and interviews with Kremlin aides and adversaries as well as foreign leaders Taubman s intensely personal portrait extends to Gorbachev s remarkable marriage to a woman he deeply loved and to the family that they raised together Nuanced and poignant yet unsparing and honest this sweeping account has all the amplitude of a great Russian novel Gorbachev William Taubman,2013-05 **Khrushchev** , Presents Soviet political leader Nikita Khrushchev s 1894 1971 Secret Speech at the Twentieth Congress of the Communist Party of the Soviet Union on February 24 25 1956 The speech discusses Soviet leader Joseph Stalin 1879 1953 and the cult of personality Notes that Stalin abused his power and terrorized the Soviet people **Khrushchev : the Man and His Era** William Taubman,2003 **Khrushchev on Khrushchev** Khrushchev Sergei,1990 *Khrushchev on Khrushchev* Sergei Khrushchev,William Taubman,1990 The son of Nikita Khrushchev offers a personal insight into the Khrushchev era Bulletin of the Atomic Scientists ,1991-05 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world *The Myth of American Diplomacy* Walter L. Hixson,2008-10-01 In this major reconceptualization of the history of U S foreign policy Walter Hixson engages with the entire sweep of that history from its Puritan beginnings to the twenty first century s war on terror He contends that a mythical national identity which includes the notion of American moral superiority and the duty to protect all of humanity has had remarkable continuity through the centuries repeatedly propelling America into war against an endless series of external enemies As this myth has supported violence violence in turn has supported the myth The Myth of American Diplomacy shows the deep connections between American foreign policy and the domestic culture from which it springs Hixson investigates the national narratives that help to explain ethnic cleansing of Indians nineteenth century imperial thrusts in Mexico and the Philippines the two World Wars the Cold War the Iraq War and today s war on terror He examines the discourses within America that have continuously inspired what he calls our pathologically violent foreign policy The presumption that as an exceptionally virtuous nation the United States possesses a special right to exert power only encourages violence Hixson concludes and he suggests some fruitful ways to redirect foreign policy toward a more just and peaceful world **A History of Russia: Since 1855** Walter Moss,2002 Total Cold War Kenneth Alan Osgood,2006 Osgood focuses on major campaigns such as Atoms for Peace People to People and cultural exchange programs Drawing on recently declassified documents that record U S psychological operations in some three dozen countries he tells how U S propaganda agencies presented everyday life in America to the world its citizens living full happy lives in a classless society where economic bounty was shared by all Osgood

further investigates the ways in which superpower disarmament negotiations were used as propaganda maneuvers in the battle for international public opinion He also reexamines the early years of the space race focusing especially on the challenge to American propagandists posed by the Soviet launch of Sputnik *John Brown to Bob Dole* Virgil W. Dean,2006 From radical abolitionist John Brown to presidential candidate Bob Dole to visionary environmentalist Wes Jackson Kansas history is bursting with fascinating stories of individuals who made a difference to the nation and whose lives reveal much about our collective past Prominent Kansas historian Virgil Dean has gathered a distinguished team of writers Thomas Isern Craig Miner and others who have crafted incisive portraits of 27 notable men and women covering 150 years of Kansas and American history Here are agitators who moved their fellow citizens to action over political social and economic problems not only John Brown but also proslavery agitator William H Russell Mary Elizabeth Lease lecturer for the Farmers Alliance and Populist Party Gerald B Winrod a k a the Jayhawk Hitler and Esther Brown who challenged segregation in public schools

Khrushchev on Khrushchev William Taubman,1992-06-01 *Khrushchev* , Presents Soviet political leader Nikita Khrushchev s 1894 1971 Secret Speech at the Twentieth Congress of the Communist Party of the Soviet Union on February 24 25 1956 The speech discusses Soviet leader Joseph Stalin 1879 1953 and the cult of personality Notes that Stalin abused his power and terrorized the Soviet people Mao's Military Romanticism Shu Guang Zhang,1995 Zhang argues that war in Korea offered Mao yet another opportunity to expand and consolidate his political power at home while at the same time uniting the Chinese proletariat against Yankee imperialism and proving to the international community that China had arrived as a major world power *Business Week* ,2003 **Tribune for Victory and Socialism** ,2003 *The Soviet and Post-Soviet Review* ,2005
