makes an interesting contribution to the field in terms of mapping out complex issues and testing the practical validity of the concept while also providing rich and insightful case studies centred on the Welsh experience with entrepreneurial learning city regions. The high quality international contributions demonstrate the new worldwide interest in developing an entrepreneurial culture for the benefit of a city or region rather than an entrepreneurial mind set for individual benefit. This fascinating subject will be of interest to many social scientists, policymakers and practitioners. It will be found especially valuable for professionals involved in economic inclusive and sustainable city or regional development. *Yearbook of International Organizations 2014-2015 (Volume 4)* Union Of International Associations, Union of International Associations, 2014-09-17. The Yearbook of International Organizations provides the most extensive coverage of non profit international organizations currently available. Detailed profiles of international non governmental and intergovernmental organizations IGO collected and documented by the Union of International Associations can be found here. In addition to the history, aims and activities of international organizations with their events, publications and contact details, the volumes of the Yearbook include networks between associations, biographies of key people involved and extensive statistical data. Providing both an international organizations and research bibliography, Volume 4 cites over 46 000 publications and information resources supplied by international organizations and provides nearly 18 000 research citations under 40 subject headings. This volume also includes a research bibliography on international organizations and transnational associations.

Lone-actor Terrorism Jacob C. Holzer, Andrea J. Dew, Patricia R. Recupero, Paul Gill, 2022. Drawing on insights across clinical and forensic mental health as well as related fields in sociology and security, this edited volume provides a diverse yet authoritative overview for those interested in better understanding the threats of lone actor terrorism and its professional response. International Journal of Health Services, 1998. *Urbanization and Development*, 2016. The analysis of urban development of the past twenty years presented in this maiden edition of the World Cities Report shows with compelling evidence that there are new forms of collaboration and cooperation, planning, governance, finance and learning that can sustain positive change. The Report unequivocally demonstrates that the current urbanization model is unsustainable in many respects. It conveys a clear message that the pattern of urbanization needs to change in order to better respond to the challenges of our time to address issues such as inequality, climate change, informality, insecurity and the unsustainable forms of urban expansion. *Population Index Bibliography: 1978-1981: Author index* Princeton University.
