### **Life Orientation Question Paper 2014 Final Examination:**

2015 Li Yuming, Li Wei, 2021-01-18 China with the world's largest population, numerous ethnic groups and vast geographical space is also rich in languages. Since 2006, China's State Language Commission has been publishing annual reports on what is called language life in China. These reports cover language policy and planning initiatives at the national, provincial and local levels, new trends in language use in a variety of social domains and major events concerning languages in mainland China, Hong Kong, Macau and Taiwan. Now for the first time, these reports are available in English for anyone interested in Chinese language and linguistics. China's language education and social policies, as well as everyday language use among the ordinary people in China. The invaluable data contained in these reports provide an essential reference to researchers, professionals, policy makers and China watchers.

**International Conference on Economics and Management Engineering (ICEME2014)**, 2014-10-22 The 2014 International Conference on Economics and Management Engineering ICEME2014 is held in Hangzhou, China from October 18-19, 2014. The conference aims to provide an excellent international academic forum for all the researchers, practitioners, students and teachers in related fields to share their knowledge and results in theory, methodology and application on economics, management science and management engineering. ICEME2014 features unique mixed topics of Economics, Management Science, Management Engineering and other related ones. ICEME2014 proceedings tend to collect the most up-to-date, comprehensive and worldwide state-of-the-art knowledge on economics, management science and management engineering. All the accepted papers have been submitted to strict peer review by 2-4 expert referees and selected based on originality, significance and clarity for the purpose of the conference. The conference program is extremely rich, profound and featuring high impact presentations of selected papers and additional late-breaking contributions. We sincerely hope that the conference would not only show the participants a broad overview of the latest research results on related fields but also provide them with a significant platform for academic connection and exchange.
