**William LOGAN**

## **Malabar Manual William Logan:**

*MALABAR MANUAL* by William Logan , Commentary William Logan s Malabar is popularly known as Malabar Manual It is a huge book of more than 500 000 words It might not be possible for a casual reader to imbibe all the minute bits of information from this book However in this commentary of mine I have tried to insert a lot of such bits and pieces of information by directly quoting the lines from Malabar On these quoted lines I have built up a lot of arguments and also added a lot of explanations and interpretations I do think that it is much easy to go through my Commentary than to read the whole of William Logan s book Malabar However the book Malabar contains much more items than what this Commentary can aspire to contain This book Malabar will give very detailed information on how a small group of native Englishmen built up a great nation by joining up extremely minute bits of barbarian and semi barbarian geopolitical areas in the South Asian Subcontinent

**A Commentary on the Malabar Manual Written by William Logan VOL 1** V. E. D. from VICTORIA INSTITUTIONS,2018-01-03 William Logan s Malabar is popularly known as Malabar Manual It is a huge book of more than 500 000 words It might not be possible for a casual reader to imbibe all the minute bits of information from this book However in this commentary of mine I have tried to insert a lot of such bits and pieces of information by directly quoting the lines from Malabar On these quoted lines I have built up a lot of arguments and also added a lot of explanations and interpretations I do think that it is much easy to go through my Commentary than to read the whole of William Logan s book Malabar However the book Malabar contains much more items than what this Commentary can aspire to contain This book Malabar will give very detailed information on how a small group of native Englishmen built up a great nation by joining up extremely minute bits of barbarian and semi barbarian geopolitical areas in the South Asian Subcontinent First of all I would like to place on record what my interest in this book is I do not have any great interest in the minor details of Malabar or Travancore Nor about the various castes and their aspirations claims and counterclaims My interest is basically connected to my interest in the English colonial rule in the South Asian Subcontinent and elsewhere I would quite categorically mention that it is English colonialism and not British Colonialism which has a slight connection to Irish Gaelic and Welsh Celtic language populations Even though I am not sure about this I think the book Malabar was made as part of the Madras Presidency government s endeavour to create a district manual for each of the districts of Madras Presidency William Logan was a District Collector of the Malabar district of Madras Presidency Logan has claimed the authorship of this book There are locations where other persons are attributed as the authors of those specific locations Also there is this statement The tidy fact is that the whole book has been tampered with or doctored by many others who were the natives of this subcontinent Their mood and mental inclinations are found in various locations of the book The only exception might be the location where Logan himself has dealt with the history writing More or less connected to the part where the written records from the English Factory at Tellicherry are dealt with His claim asserted or hinted at of being the author of the text wherein

he is mentioned as the author is in many parts possibly a lie The book Malabar ostensibly written by William Logan does not seem to have been written by him It is true that there is a very specific location where it is evident that it is Logan who has written the text However in the vast locations of the textual matter there are locations where it can be felt that he is not the author at all

A Commentary on the Malabar Manual Written by William Logan Vol 2 V. E. D. from VICTORIA INSTITUTIONS,2018-01-03 William Logan s Malabar is popularly known as Malabar Manual It is a huge book of more than 500 000 words It might not be possible for a casual reader to imbibe all the minute bits of information from this book However in this commentary of mine I have tried to insert a lot of such bits and pieces of information by directly quoting the lines from Malabar On these quoted lines I have built up a lot of arguments and also added a lot of explanations and interpretations I do think that it is much easy to go through my Commentary than to read the whole of William Logan s book Malabar However the book Malabar contains much more items than what this Commentary can aspire to contain This book Malabar will give very detailed information on how a small group of native Englishmen built up a great nation by joining up extremely minute bits of barbarian and semi barbarian geopolitical areas in the South Asian Subcontinent William Logan has claimed the authorship of this book There are locations where other persons are attributed as the authors of those specific locations The tidy fact is that the whole book has been tampered with or doctored by many others who were the natives of this subcontinent Their mood and mental inclinations are found in various locations of the book The only exception might be the location where Logan himself has dealt with the history writing More or less connected to the part where the written records from the English Factory at Tellicherry are dealt with His claim asserted or hinted at of being the author of the text wherein he is mentioned as the author is in many parts possibly a lie The book Malabar ostensibly written by William Logan does not seem to have been written by him It is true that there is a very specific location where it is evident that it is Logan who has written the text However in the vast locations of the textual matter there are locations where it can be felt that he is not the author at all There are many other issues with this book

*William Logan's Malabar Manual ,2000* **Malabar Manual** William Logan,2000 On Malabar India *MALABAR by WILLIAM LOGAN - VOL 2 (in 4 Volumes) - with Annotations by VED from VICTORIA INSTITUTIONS* William LOGAN,2018-01-03 William Logan s Malabar is popularly known as Malabar Manual It is a huge book of more than 500 000 words This particular edition of the book comes in Four Volumes of page size 7 X 10 This is Volume no 2 of these four volumes It is Chapter no 3 of the original book The Chapter heading is History The various subheadings inside this chapter are thus CHAPTER 3 HISTORYSection a Traditionary ancient history Section b Early history from other sourcesSection c 825 to 1498 A DSection d The Portuguese period A D 1498 1663Section e The Dutch English and French settlementsSection f The Mysorean conquest A D 1766 1792Section g The British supremacy 1792 to dateA number of extra images have been added in this new edition of the book Some of the mentionable items that can be found this Volume are the Pazhassiraja insurgency Mappilla outrages commencing from 1832 onwards which ultimately

culminated in the so called Mappilla Lahala and the historical events that led to the English East India Company setting up a sensible administration in a geopolitical area which had experienced continual internecine violence right from times immemorial This book Malabar will give very detailed information on how a small group of native Englishmen built up a great nation by joining up extremely minute bits of barbarian and semi barbarian geopolitical areas in the South Asian Subcontinent This book Malabar was presumably made as part of the Madras Presidency government s endeavour to create a district manual for each of the districts of Madras Presidency William Logan was a District Collector of the Malabar district of Madras Presidency Since the text and images have been taken from the currently December 2017 available online low quality scanned files of the original book there can be some inadvertent errors in the book such as typos missing text etc However a lot of care has been taken to make the book error free However no guarantee in this regard can be given

**MALABAR VOL 1 (in Four Volumes) - (with Annotations by VED from VICTORIA INSTITUTIONS)** William LOGAN,2018-01-03 William Logan s Malabar is popularly known as Malabar Manual It is a huge book of more than 500 000 words This particular edition of the book comes in Four Volumes of page size 7 X 10 This book Malabar will give very detailed information on how a small group of native Englishmen built up a great nation by joining up extremely minute bits of barbarian and semi barbarian geopolitical areas in the South Asian Subcontinent This book Malabar was presumably made as part of the Madras Presidency government s endeavour to create a district manual for each of the districts of Madras Presidency William Logan was a District Collector of the Malabar district of Madras Presidency The time period of his work in the district is given in this book as 6th June 1875 to 20th March 1876 around 9 months as Ag Collector From 9th May 1878 to 21st April 1879 around 11 months as Collector From 23rd November 1880 to 3rd February 1881 around 2 months as Collector Then from 23rd January 1883 to 17th April 1883 around 3 months as Collector After all this he is again posted as the Collector from 22nd November 1884 From this book not much personal information about William Logan Esq can be found out or arrived at Two Chapters are there in this specific Volume Volume 1 They are listed below The District a Its Limits and Physical Features b Mountains c Rivers Backwaters and Canals d Geological Formation e Climate and Natural Phenomena f Fauna and Flora g Passes Roads and Railway h Ports and Shipping Facilities CHAPTER II The People a Numbers Density of Population Civil Condition Sex and Age b Towns Villages Dwellings and Rural Organization c The Language Literature and State of Education d Caste and Occupations e Manners Customs etc f Religion Hindus Muhammadans Christians g Famine Diseases Medicine A number of extra images have been added in this new edition of the book Since the text and images have been taken from the currently December 2017 available online low quality scanned files of the original book there can be some inadvertent errors in the book such as typos missing text etc However a lot of care has been taken to make the book error free However no guarantee in this regard can be given **MALABAR VOL 4 (in Four Volumes) - (with Annotations by VED from VICTORIA INSTITUTIONS)** William Logan,2018-01-03 William Logan s Malabar is

popularly known as Malabar Manual It is a huge book of more than 500 000 words This particular edition of the book comes in Four Volumes of page size 7 X 10 This book Malabar will give very detailed information on how a small group of native Englishmen built up a great nation by joining up extremely minute bits of barbarian and semi barbarian geopolitical areas in the South Asian Subcontinent This book Malabar was presumably made as part of the Madras Presidency government s endeavour to create a district manual for each of the districts of Madras Presidency William Logan was a District Collector of the Malabar district of Madras Presidency CONTENTS in this Volume no 4 XII Collection of Deeds XIII Mr Graeme s Glossary Etymological Headings XIV List of Chiefs Residents Commissioners Principal Collectors and Collectors XV Land Revenue Assessment Proclamation of 21st July 1805 XVI Annual Average price of Paddy 1860 80 XVII Monthly Average no do XVIII Prices of Gingelly Seed 1861 81 XIX Do of Coconuts and Areca nuts 1862 81 XX List of Malikhana Recipients in Malabar XXI Short Descriptive Notes of Taluks c Chirakkal Taluk Anjarakandi Amsam Cannanore Kirur Territory Laccadive Islands Agatti Island Kavaratti Island Androth do Kalpeni do Minicoy do Kottayam Taluk Kurumbranad Taluk Mahe and the Aldces Wynad Taluk Imports into Malabar from Mysore Exports from Malabar to Mysore Wynad Forests Kanoth Forest Calicut Taluk Ernad do Nilambur Teak Plantations Walluvanad Taluk Palghat do do Forests Ponnani Taluk do Cochin do Tangasseri Anjengo A number of extra images have been added in this new edition of the book Since the text and images have been taken from the currently December 2017 available online low quality scanned files of the original book there can be some inadvertent errors in the book such as typos missing text etc However a lot of care has been taken to make the book error free However no guarantee in this regard can be given PLEASE NOTE The text has been taken out of scanned files of the original book which is available on archive org There can be inadvertent errors in this book Beyond that a lot of extra images have been added to this book Since the contents of this book have been taken from low quality scanned version of the original book available online wherever the text has been inserted in the form of images the text might look blurry and very faint However these text images though blurry are given in this book to maintain the integrity of the original book For the only other option would be to remove the pages which are not clear

proposes to take up the possibility of there being a real machinery behind the working of so called mantra tantra evil eye black magic voodoo etc This book does not teach any of the above mentioned arts Yet it does try to find a pathway or opening by which we can find or enter the supernatural arena from where the supernatural software codes of reality and life is designed and maintained It is a writing that tries to discuss a probability that is not connected to material sciences Instead it proposes to examine the possibility of there being a supernatural software application location wherein reality might be seen in the code view as well as the design view These two views are apart from the real view which is the physical reality The ultimate aim of this book is to propose a pathway via which we can approach the supernatural software location where all of reality life living organisms brain software English versus the feudal languages around 1989 The final version of the book was completed around 2000 In the concluding part of that book I did hint about the possibility of there being something akin to a software background to reality And that languages are software applications with varied capacities In around the year 2005 I wrote a series of posts in a GB website on the same subject It was basically a lot of unconnected themes all pointing to the same theme This I later published as a digital book under the name Software codes of reality life and languages Then my next major book on the subject came out with the name Codes of reality What is language Here again the same theme of connecting the idea of there being a software realm behind reality and that languages have software codes which can directly connect to the software of reality was elaborated The focus was on languages being sort of software applications through which physical reality could be influenced Still the theme was going forward only in very brief paces A few years ago I had to write a series of posts for supporting the contentions of Homoeopathy by basing the ideas from my understandings That Homoeopathy does work on the principle of a software program rectifying the software of life and human body The book title was The machinery of Hom oopathy Recently I happened to read Edgar Thurston s Omens and Superstitions of Southern India It was at that time that I pondered upon reworking out the arguments from the perspective of mantra tantra black magic witchcraft etc The first thing I did was to create a very readable form of that book As I went on doing that work I could get to read the book also This present book is being promoted as a Commentary on Omens and Superstitions of Southern India However only the last part of this book really is a sort of commentary Even in that part it is not exactly a commentary I merely quoted some sentences from his book and elaborated upon them as per what I wanted to convey Edgar Thurston s Omens and Superstitions of Southern India is definitely a great book My writings do not aim to go against that book This book of mine does contain a lot of mentions about Thurston s book This book commences by mentioning OMENS AND SUPERSTITIONS OF SOUTHERN INDIA However it moves beyond to a wider ambit It returns to Thurston s book at the end as a commentary However a mention of Thurston s book can be felt all along I have used a few images from other old public domain books These images are mainly taken from my own collection from such books Due to some issues I do not have the exact record as to where I got some of the images I believe that such images have been taken from Edgar Thurston s Castes

and Tribes of Southern India Before commencing the reading of the book the reader is further informed that in various locations the text would seem to be dealing with cultural aspects However without clearly mentioning these things it would difficult to go directly into the effects of supernatural software codes DEVERKOVIL September 10th 2016

**TRAVANCORE STATE MANUAL by V Nagam Aiya** VED from VICTORIA INSTITUTIONS, TRAVANCORE STATE MANUAL was written in the closing years of the 1800s It is a fascinating book in that the perspective of historical events that took place in the region known as the Indian Peninsula is markedly different from what is being taught in current day schools and colleges There is need to bring this book out in a very readable form That is what has been attempted here VED from VICTORIA INSTITUTIONS has written a commentary which aims to elucidate the various differences in perspective and also tries to focus on varying issues which are nowadays hidden away from public knowledge What ultimately comes out as background of unvarying strength is the fact that the English rule especially that by the English EAST INDIA COMPANY was really of benign qualities towards the common man of this area This book contains the story of an independent kingdom at the southern most end of the South Asian Peninsula which lost its independence in 1947 in the wake of a fool coming to power in England **By Sweat and Sword** K. K. Nair,2013 Going well beyond the usual narratives on Kerala history this study discusses the unique history of a statedescribed incolonial documents as being perpetually at war but remarkably whose people have been historically happy Ever since its discovery Kerala s political climate was characterized by a variety of Chinese Arab European and local powers fighting each other for economic and military ascendancy And yet despite centuries of foreign contact and conflict it continued to thrive and retain its independence The influences Kerala absorbed were of its own choosing This book hypothesizes that this remarkable achievement was a direct consequence of Kerala s unique military diplomatic social and economic culture A society by no means perfect but fairly close causing British administrators to record that society in Kerala had arrived close to fulfilling the utilitarian dictum of the largest possible happiness of the largest numbers *Malabar* William Logan,1951 Malabar William Logan,1995 MARCH of the EVIL EMPIRES VED from VICTORIA INSTITUTIONS,2004-05-04 First drafted in 1989 A QUOTE from the book about what would happen to the US when feudal language speakers swarm into this once good quality English nation This was written around 1990 a stage may come at least in certain areas where the innate resilience of the English structure may be severely tested and cause much distress to the individual persons and can in a matter of time cause domino effect on many other areas causing strange happenings of technological failure inefficiency conflict hatred events that may be described with shallow understanding as racially motivated decent and peaceful persons acting with unnatural violence etc Rude officialdom arrogant and trigger happy police increasing corruption insolent attitude to persons who are judged to be doing lower jobs time consuming judiciary rules and regulations which are laughable in meaning but having a sting from which many get hurt and a general feeling of hopeless for the solitary individual as against the might of the society are all general characters of

the effect of feudal languages What has to be borne in mind is that feudal languages do have elements in them which aim at subjugation and where they fail to do so they may at least cause deep mental hurt And that too in an extremely soft and inconspicuous manner that it may not be discernible to another person other than the person who felt it Though persons who do not know these languages may not actually understand the full significance of each and every word they may be able to sense the negativity from the body language of the person who says the words and of the other s of the same language who may actually understand it Beyond all this there may be a factor of mental waves or energy which may radiate along with the words which may have a deeper effect than is currently understood It could all lead to a lot of side effects possibly due to a sort of domino effect and the effect need not be at the place the disturbance took place Examples could be unexplainable road rages air rages shooting of colleagues and so many actions with criminal overtones by seemingly decent persons You should read this book also The SHROUDED SATANISM in FEUDAL LANGUAGES Tribulations and intractability of improving others      *What is entering? (into England)* VED from VICTORIA INSTITUTIONS, Feudal languages entering a planar language nation      **Malabar Manual: Collection of treaties, engagements, and other papers of importance relating to British affairs in Malabar** William Logan,1998

## Unveiling the Magic of Words: A Report on "**Malabar Manual William Logan**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. ### **Malabar Manual William Logan Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Malabar Manual William Logan PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning.

By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Malabar Manual William Logan PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Malabar Manual William Logan free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

## **FAQs About Malabar Manual William Logan Books**

1. Where can I buy Malabar Manual William Logan books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
