opinionated and insightful essays written by chastity expert Park Cannon whose 20 years of experience as a chastity sub provide a unique perspective that sets this book apart from others Chastity is a subset of BDSM that is a power exchange between a submissive and dominant In chastity role playing the sub is restrained in a chastity device that prevents sexual stimulation and their dom holds the key to the device controlling that experience As specific as that may sound chastity is a remarkably versatile and adaptable kink It is just as often a solo experience as it is one including a keyholder The locked person doesn't always have to mean the sub It can be enjoyed by couples that aren't interested in dom sub power dynamics It can be meaningful or just a fun sensual experience The mechanics of play the roles of those involved the stated goal or purpose and the symbolism or meaning you give it are all personal decisions with no right or wrong answer To try to delineate any one true way to engage in chastity role playing would be an act of hubris and an insult to the thousands of people who have found a different way that works better for them In that spirit this book tries to be neither prescriptive nor complete It discusses chastity from a unique and singular perspective and widens that perspective whenever possible but at the end of the day this is as much memoir as it is reference book The chapter titles reflect the diverse range of topics that are covered Weird is the New Normal Comprehensive Guide to Male Chastity Debunked Chastity in the Middle Ages When is Chastity Not About Chastity Chastity's Female Problem A Cautionary Tale of Chastity Belts and Body Scanners Essential Chastity Websites In Defense of the Word Faggot How to Shop for a Chastity Device Kinky Glossary With the publication of The Male Chastity Companion Park Cannon has solidified his position as a leading voice in male chastity today If you purchase just one book on male chastity this year it should be this one This 18 300 word 99 page book is currently available worldwide exclusively on Amazon

Courtship and Make a Better Husband. Key Barrett, 2018-09-24 Author Key Barrett started out writing a journal for chastity. He decided that he wanted to be locked up in chastity for seven days in order to better understand the motivation behind chastity and the emotional aspects so he could write about it with greater understanding in both his fiction and nonfiction. So he spoke with his wife and she agreed to let him go seven days in chastity with her holding the key, only unlocking him if he needed it for safety reasons to make sure everything is working properly or if she had sexual interest in freeing him. What started as a simple one-week journal quickly blossomed into something else entirely. By the third day he was feeling butterflies just when his wife touched his hand. By day four she noticed he was much more engaged in their household and being an active and proactive partner. What started as a week for him quickly became two weeks for them both to journal. Through chastity and communication they identified a sexual trade-off that existed in their marriage: a barter system wherein every action he engaged in had an undercurrent of sexual pressure: a literal tit-for-tat. Freed from it through a chastity device, they were able to enjoy each other on a more meaningful and trusting level. And in lowering the quantity of sex, they raised the quality. This book takes what they learned plus surveys and research derived from male chastity users and shows couples how they too can end the barter system, increase communication, and bring back the courtship phase butterflies and all. Learn what you can do to improve your marriage, increase intimacy, feel more connected emotionally, and make her daily life easier with a simple, sexy, fun exercise in chastity.
