## **Man To Man Desire Homosociality And Authority:**

*Man to Man* Mark Masterson, 2014 This book discusses same sex desire among elite educated Roman men in late antiquity when same sex desire could operate as a distinct vehicle for expressing friendship patronage solidarity and other important relationships Indeed a man's grandeur or reputation could be portrayed metaphorically and with some paradox as sexual attractiveness Knowledge of the actual mechanics of same sex sexual behavior demonstrated that there was nothing the elite classes did not know even of behaviors that were often frowned on and even criminalized Since Plato's dialogues were widely read and influential among the educated classes same sex attraction knowledge could also operate as a vehicle for rising to the transcendent **The Routledge Handbook on Identity in Byzantium** Michael Stewart, David

Parnell, Conor Whately, 2022-03-30 This volume is the first to focus solely on how specific individuals and groups in Byzantium and its borderlands were defined and distinguished from other individuals and groups from the mid fourth to the close of the fifteenth century It gathers chapters from both established and emerging scholars from a wide range of disciplines across history art archaeology and religion to provide an accurate representation of the state of the field both now and in its immediate future The handbook is divided into four subtopics that examine concepts of group and specific individual identity which have been chosen to provide methodologically sophisticated and multidisciplinary perspectives on specific categories of group and individual identity The topics are Imperial Identities Romanitas in the Late Antique Mediterranean Macro and Micro Identities Religious Regional and Ethnic Identities and Internal Others and Gendered Identities Literature Memory and Self in Early and Middle Byzantium While no single volume could ever provide a comprehensive vision of identities on the vast variety of peoples within Byzantium over nearly a millennium of its history this handbook represents a milestone in offering a survey of the vibrant surge of scholarship examining the numerous and oft times fluctuating codes of identity that shaped and transformed Byzantium and its neighbours during the empire's long life [Sex in Antiquity](#) Mark

**Between Byzantine Men**
